Any personal data provided will be processed for the purposes of the Competition, the administration of any contract awarded on foot of this Competition, reporting to any regulators or oversight bodies and/or any disputes relating to the Competition or the Contract. Our legal basis for processing such personal data in accordance with the provisions of this Data Protection Notice is that it is necessary for the exercise of official authority vested in us.

In connection with the above, we may disclose your personal data to various recipients including:

If and to the extent that we do so, we will ensure that appropriate measures are in place to comply with our obligations under applicable law governing such transfers, which may include entering into a contract governing the transfer which contains the ‘standard contractual clauses’ approved for this purpose by the European Commission or, in respect of transfers to the United States of America, ensuring that the

transfer is covered by the EU-US Privacy Shield framework (or any replacement framework). Further details of the measures that we have taken in this regard are available on request from the Data Protection Officer us.

Any personal data provided in relation to this Competition will be retained in accordance with the RSA procurement records retention policy. Namely:

- if the contract is signed by hand, the records will be kept for 6 years after the contract expiry.
- if the contract is signed under seal, the records will be kept for 12 years after the contract expiry.

Any data subjects in respect of which we hold or process personal data have rights in relation to their personal data, including the right to request access to their data and, in certain circumstances to request rectification, erasure or restriction of the processing of their personal data. All such data subjects have the right to lodge a complaint with the Irish supervisory authority, the Data Protection Commission.

The Procurement Documents set out, in respect of each criterion or requirement, whether a response (including any personal data required in order to respond to the criterion or requirement) is required in order to avoid elimination from this Competition. Even where a failure to respond or to provide relevant personal data will not, of itself, lead to elimination, failure to provide such personal data may affect the completeness or quality of your response to the Procurement Documents (which may affect the assessment of such response).
