

HARBOUR SI TENDER - DÚN LAOGHAIRE RATHDOWN COUNTY COUNCIL

SCHEDULE OF QUERIES

Date	Nr	Query	Response
17.09.2026	1	Could you please confirm whether the scope is limited to the execution of the ground investigation and factual reporting, or whether geotechnical consultancy services, including interpretation and design-related recommendations, are also required pre- or post-survey?	For Work Package 1: Geotechnical consultancy services are not required as part of Work Package 1. This tender is for a site-based survey and data collection only. For Work Package 2: The project specification does require interpretative geotechnical input and environmental waste disposal classification by the site investigation contractor.
