Notes:

- This Survey was produced for original clients specification at time of instruction.
- If the survey is to be used by any other parties, or for purposes other than those originally considered, further checks or updates may be required.
- Please contact PCA.
- PCA take no responsibility for additions made by third parties to survey.
- Accuracy and amount of detail is based on scale of mapping.
- Drainage pipe sizes (where shown) have been gauged from the surface for safety, measure and should be regarded the surface for safety measure and should be regarded as approximate only.

Note: Accuracy of survey is only scale.
