SCHEDULE G Data Processing Addendum

Waterways Ireland requires all contractors engaged in the processing of **Personal Data** to sign and implement this GDPR Addendum to contract, in compliance with the EU General Data Protection Regulation (GDPR) which became effective from 25th May 2018.

What is the EU General Data Protection Regulation (GDPR)?

A new Data Protection Regulation which in effect harmonises data protection laws throughout the EU and provides a comprehensive modern framework for data protection. In May 2018, new Data Protection Acts were introduced in the UK and Ireland to provide context for the application of GDPR in each country. The UK's decision to leave the EU will not affect the commencement of GDPR and its relevance to Northern Ireland.
