Part 1: Introduction

- 1.1 An Rialálaí Agraibhia (Agri-Food Regulator) (the “Contracting Authority”) invites tenders (“Tenders”) to this request for tenders (“RFT”) from economic operators (“Tenderers”) for the provision of the services as described in Appendix 1 to this RFT (the “Services”).
- 1.2 In summary, An Rialálaí Agraibhia (Agri-Food Regulator) is seeking a suitably qualified and experienced professional conference and event management service provider to provide event planning, management, coordination and delivery services in respect of two half-day conferences expected to take place in June 2027 and May/June 2029. The venue for each conference will be determined in consultation with the Contracting Authority.

In addition, the Contracting Authority may require the successful Tenderer to provide event management services for additional ad hoc events arising during the Term, as further described in Appendix 1.
- 1.3 **Not used**
- 1.4 This public procurement competition (the “Competition”) will be conducted in accordance with the open procedure under the European Union (Award of Public Authority Contracts) Regulations 2016 (Statutory Instrument 284 of 2016) (the “Regulations”). Any contract that may result from this Competition (the “Services Contract”) will be issued for an initial term of 3 years (“the Term”).
- 1.5 The Contracting Authority reserves the right to extend the Term for a period of 1 year with a maximum of 1 such extensions or extensions on the same terms and conditions, subject to the Contracting Authority’s obligations at law.
- 1.6 The Contracting Authority estimates that the total expenditure on the Services to be covered by the proposed Services Contract may amount to a maximum value of €120,000 exclusive of VAT over the full Term of the Services Contract. This estimate relates to the provision of Services in respect of the two conferences anticipated to take place in 2027 and 2029, together with any additional ad hoc event management services that may be drawn down during the Term. Tenderers should understand that this figure is an estimate only and does not constitute a guarantee of expenditure or commitment by the Contracting Authority to purchase any minimum volume or value of Services
- 1.7 Contracting Authority policy seeks to encourage participation on a fair and equal basis by Small and Medium Enterprises (“SME”s) in this Competition. SMEs that believe the scope of this Competition is beyond their technical or business capacity are encouraged, subject to paragraph 2.5, to explore the possibilities of forming relationships with other SMEs or with larger enterprises. Through such relationships they can participate and contribute to the successful implementation of any Services Contract that may result from this Competition and therefore increase their social and economic benefits.

Larger enterprises are also encouraged, subject to paragraph 2.5, to consider the practical ways that SMEs can be included in their proposals to maximise the social and economic benefits of any Services Contracts that may result from this Competition.

Part 2: Instructions to Tenderers

2.1 Important Notices

- 2.1.1 While every effort has been made to provide comprehensive and accurate information in all notices and documents prepared for the purposes of this Competition, the Contracting Authority does not accept any liability or provide any express or implied warranty in respect of any such information. Tenderers must form their own conclusions about the solution needed to meet the requirements set out in this RFT and may wish to consult their legal advisers.
- 2.1.2 The Contracting Authority does not bind itself to accept the lowest priced or any Tender. This RFT does not constitute an offer or commitment to enter into a Services Contract. No contractual rights in relation to the Contracting Authority will exist unless and until a formal written Services Contract has been executed by or on behalf of the Contracting Authority. Any notification of preferred bidder status by the Contracting Authority shall not give rise to any enforceable rights by the Tenderer. The Contracting Authority may cancel this Competition at any time prior to a formal written Services Contract being executed by or on behalf of the Contracting Authority. The award of a Services Contract does not confer exclusivity on the successful Tenderer.
- 2.1.3 This RFT supersedes and replaces any and all previous documentation, communications and correspondence between the Contracting Authority and Tenderers, and Tenderers should place no reliance on such previous documentation and correspondence.
- 2.1.4 In this clause 2.1.4, “Data Protection Laws” means all applicable national and EU data protection laws, regulations and guidelines including but not limited to Regulation (EU) 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (the “General Data Protection Regulation”), and any guidelines and codes of practice issued by the Office of the Data Protection Commission or other supervisory authority for data protection in Ireland from time to time. The Contracting Authority will be a Data Controller (where Data Controller has the meaning given under the Data Protection Laws) in respect of any Personal Data (where Personal Data has the meaning given under the Data Protection Laws) required to be provided by the Tenderer in response to this RFT. The Tenderer, as Data Controller in respect of any Personal Data provided by it in its Tender, is required to confirm in the statement required under paragraph 2.4 below that all Data Subjects (where Data Subject has the meaning given under the Data Protection Laws) whose Personal Data is provided by the Tenderer have consented to the processing of such Personal Data by the Tenderer, the Contracting Authority, the Evaluation Team and the supplier of the etenders.gov.ie website, for the purposes of the participation of

the Tenderer in this Competition or that the Tenderer otherwise has a legal basis for providing such Personal Data to the Contracting Authority for the purposes of its participation in this Competition.

- 2.1.5 The Contracting Authority would refer Tenderers in particular to the provisions of Regulation (EU) 2022/1031 on the access of third country economic operators, goods and services to the Union's public procurement and concession markets and procedures supporting negotiations on access of Union economic operators, goods and services to the public procurement and concession markets of third countries (International Procurement Instrument – IPI), and to their obligation to comply therewith.

In particular, tenderers and candidates should note in Article 6 of Regulation (EU) 2022/1031, the obligations for a Contracting Authority in the context of a procurement procedure where the EU Commission has adopted an IPI measure.

- 2.1.6 Not used.

2.2 Compliant Tenders

- 2.2.1 If a Tenderer fails to comply in any respect with the requirements of this paragraph 2.2.1, the Contracting Authority reserves the right to reject the Tenderer's Tender as non-compliant or, without prejudice to this right and subject to its obligations at law, to take any other action it considers appropriate including but not limited to:

2.3 Services Contract

- 2.3.1 Tenderers should note the terms and conditions of the Services Contract at Appendix 4 to this RFT.
- 2.3.2 Tenderers are required to confirm their acceptance of the terms and conditions of the Services Contract by signing the Tenderer's Statement at Appendix 2. Tenderers may not amend the Services Contract.

	TOTAL		1,000	

Each of the award criteria will be assessed on an overall basis. A mark will be awarded to each criterion in accordance with the scoring methodology set out below. The individual mark within each band will be allocated based on the respective merit of the response within the category. A minimum score of 60% is required to pass criterion A - C. A Tenderer not receiving the minimum % score required for any criterion will not be evaluated further and will be eliminated from the Competition.

Qualitative award criteria will be assessed first. Tenderers that have not achieved the required minimum % score for any of qualitative award criteria will be eliminated from the Competition without having their costs assessed and their proposed prices will not be considered for the purposes of cost evaluation.

Those Tenderers that score a mark equal to or in excess of the minimum % score required for each of the award criteria will proceed to have their Cost evaluated.

The lowest cost tender that also meets all the minimum requirements of the qualitative award criteria will receive the maximum score achievable under this criterion. The scores of the other valid tenders will be calculated using the following formula:

Score	Meaning	Interpretation
90 – 100%	Excellent	A very comprehensive response demonstrating extensive understanding offering full assurance to the AFR – fully supported with no reservations.
80 – 89%	Very good	A very good response demonstrating a very good understanding and offering convincing assurance that the Tenderer will deliver to a very high standard but contains a few, mostly minor, weaknesses – fully supported.
70 – 79%	Good	A good response demonstrating a good understanding and offering assurance that the Tenderer will deliver to a high standard but contains a number of weaknesses to client – well supported.
60 – 69%	Acceptable	An acceptable response demonstrating a minimum understanding and offering assurance. That the Tenderer will deliver requirements to an adequate standard but contains a number of weaknesses
Less than 60% is unacceptable and considered ineligible from further consideration		
1 to 59%	Poor	Response demonstrates limited understanding with insufficient or no detail and a risk of non-delivery. This is unacceptable and classified as inadmissible.

The lowest cost tender that also meets all the minimum requirements of the qualitative award criteria will receive the maximum score achievable under this criterion. The scores of the other valid tenders will be calculated using the following formula:

Evaluation of Cost Formula	$\frac{\text{Lowest Tendered Rate}}{\text{Tendered Rate under evaluation}} \times 200$
-----------------------------------	--

Tenderers must not use abnormally high or low rates in their Tender. This prohibition includes using strategies that might allow the Tenderer to benefit disproportionately in relation to the valuation for work or interim payments for work done. Each rate must properly cover the full inclusive value of the work to which the amount relates.

If, in the Authority's opinion, the overall tendered amount is abnormally low or any tendered rates (including any rates tendered for valuation of extra services are abnormally low or abnormally high, the Authority may require the Tenderer to provide further written details of the constituent elements of the overall tendered amount or the tendered rates or any other information which the Authority

considers relevant. This may include (without limitation) the information listed in Regulation 69 of the European Union (Award of Public Authorities' Contracts) Regulations 2016. Any failure to provide such information, where requested, may exclude the Tender from further consideration. If, having considered the information provided, the Authority is of the view that either the overall tendered amount is abnormally low or any tendered rates are abnormally low or abnormally high, the Authority may reject the Tender.

3.3.2 Subject to paragraphs 2.1 (Important Notices) and 3.5 (Standstill Period) of this RFT, award of the Services Contract to the highest ranked Tenderer (as determined by paragraph 3.3.1) will be conditional upon:

- (ii) the evidence specified at paragraph 3.3.2(a) above demonstrating that each entity concerned meets the Selection Criteria and the compliance requirements specified at paragraph 3.1(b) and (c) above.

3.4 Presentation of Proposals

Tenderers may be required to make a presentation of the proposal contained in their Tender. The Contracting Authority will not be responsible for the cost of such presentations (in accordance with paragraph 2.8). Performance at presentations will NOT be evaluated.

3.5 Standstill Period

- 3.5.1 As soon as practicable after the Authority has made a decision to award the Contract, the Authority will notify all Tenderers of the outcome of this Competition. The Contracting Authority may apply a stand still period of fourteen (14) calendar days after the day on which the Tenderers have been sent a notice informing them of the result of this competition. The preferred bidder will be notified of the decision of the Contracting Authority and of the expiry date of the Standstill Period. This notification will not form the Contract or any contract or other obligation and specifically will not oblige the Authority to award or enter into the Contract.
- 3.5.2 Tenderers should note that the Contracting Authority may, when notifying Tenderers of the results of this Competition, include the scores obtained by the Tenderer concerned and the scores obtained by the preferred bidder in respect of each award criterion assessed by the Contracting Authority.

3.6 Return of Signed Contracts

- 3.6.1 The successful Tenderer must sign and return the Services Contract and the Confidentiality Agreement, both in duplicate, to the Contracting Authority no later than seven (7) calendar days from the date of expiry of the Standstill Period unless notified otherwise in writing by the Contracting Authority. A signed Services Contract returned by the successful Tenderer is not binding on the Contracting Authority until the Contracting Authority has signed the Services Contract in accordance with paragraph 2.1.2 above.
- 3.6.2 Where the signed Services Contract and the Confidentiality Agreement have not been received by the Contracting Authority within the period as specified at paragraph 3.6.1 then the Contracting Authority may proceed to award the Services Contract to the next highest-ranked Tenderer in accordance with paragraph 3.6.1 above.

Appendix 1: Requirements and Specifications

Tenderers must address each of the issues and requirements in this part of the RFT and submit a detailed description in each case which demonstrates how these issues and requirements will be dealt with / met and their approach to the proposed delivery of the Services. A mere affirmative statement by the Tenderer that it can/will do so or a reiteration of the tender requirements is NOT sufficient in this regard.

The Agri-Food Regulator is an independent State Agency established in December 2023 tasked with promoting fairness and transparency in the agri-food supply chain.

The Regulator is seeking Professional Conference and Event Management Service providers to submit proposals for the planning and organisation of two half-day conferences during the proposed Services Contract:

- Conference 1 – June 2027; and
- Conference 2 – June 2029.
- In addition to the above planned conferences, the Contracting Authority reserves the right, during the Term, to draw down event management services for additional ad hoc events that are not currently planned or scheduled. Such events may arise at short notice and may vary in nature and scale, and the successful Tenderer may be required to provide some or all of the services and tasks described below. The scope and charges for each ad hoc event must be agreed in writing in advance. No minimum number or value of additional events is guaranteed.

It is expected that approximately 150 people could be in attendance on the scheduled conference days. The Regulator also wishes to record the proceedings for sharing post-event. It is anticipated that the recording requirements may include multi-camera video recording of the conference, including individual speeches and panel discussions; provision of edited recordings with captions; the capture of additional B-roll footage and short interviews with speakers and panellists; production of a short conference highlights video; and professional event photography. The resulting video and photographic content may be used across the Regulator's website, social media channels and other communications. The precise recording and production requirements will be agreed with the successful Tenderer during the planning of each conference and may also include live-streaming or other audio-visual requirements where required.

The Contracting Authority invites tenderers to submit their solutions to planning and running this event. Tenderers should include a proposed Plan for the delivery of the conference to a very high level along with a clear timeframe for its implementation. Tenderers are required to manage and coordinate all specified requirements for the Conference while working closely with the Regulator.

This will involve producing an event management plan and delivering the event. As part of their response to this request, tenderers should outline their experiences in running in-person events which were recorded and all relevant associated services. This plan should address all of but should not be limited to the tasks identified below.

Pre-Conference:

- a. Propose an estimate of time and cost to liaise with the Regulator on the programme for the conference. This estimate should be based on fortnightly planning and report meetings with the Regulator & their partners from the time of award of the contract increasing in frequency within eight weeks of the event.
- b. Manage relevant Health & Safety documentation and risk assessment for the event.
- c. Venue selection and subsequent event management discussions with the chosen venue on behalf of the Regulator.
- d. Propose, advise and on solutions for the event design and layout strategy including items such as selection of MC, production, Audio Visual and lighting as required.
- e. Manage production of print assets such as name badges, signage and promotional materials as required.
- f. Liaise with MC, event speakers and panel participants regarding their requirements.
- g. Manage the event registration process for the event including digital confirmation of attendees on the day.
- h. Management of speakers' interactions - getting photos/bio notes and dealing with travel/accommodation to securing/testing presentations and dealing with queries/organising practice sessions. It is envisaged that the tenderer would organise and manage the set-up & practice session the day before each conference.
- i. Develop an online evaluation form for completion post-event

Tenderers should note that the Regulator will have sufficient staff available on the day of the event to carry out operational tasks such as attendee and presenter registration.

At the Conference

- j. Ensure professional presence on-site at all stages of event.
- k. Organise and brief all speakers in advance to explain the layout and timing of the event.
- l. Ensure co-ordination of speaker's presentations, panel discussion, Q&A as required.
- m. Prepare and manage the event application's medical plan in line with the HSE Guidelines for an Event.
- n. Deal with all queries from attendees in relation to the event including movement between rooms/breakout rooms etc.

Additionally, the successful tenderer may be required to carry-out further tasks/duties that are not included above.

Tenderers should ensure that the cost provided for the planning and the running of the event relates solely to the tenderers event management services based on the tasks outlined below. The Regulator will be responsible for making timely payments for all service costs incurred as part of the successful running of the event.

The format of the event will be along the lines of the following:

- 09:00 Registration
