Re: GRETB Mervue Training Centre – Roof Upgrade - QS Tender Addendum Nr. 01

Dear Sir/Madam,

Please see attached the QS Tender Addendum, which includes additional BOQ items in relation to the Drainage Remedial Works, as follows:

- **BUILDING 1 – DRAINAGE REMEDIAL WORKS**

Element added to include works associated with the drainage remedial works, as detailed on Architect's Drawings 410–212 and Cahir Environmental Services CCTV Surveys 11134, 11135 and 12110.

- **BUILDING 2 – DRAINAGE REMEDIAL WORKS**

Element added to include works associated with the drainage remedial works, as detailed on Architect's Drawings 410–212 and Cahir Environmental Services CCTV Surveys 11134, 11135 and 12110.

Please include these elements within the **Volume C Pricing Document**, immediately after the **“Temporary Works”** section and preceding the **General Summary**.

In addition, a revised General Summary has been included with this addendum and is to replace the original General Summary in its entirety.

Any documents required to be returned as part of your tender submission should be completed and submitted in the revised format included within this Tender Addendum.

Tenderers are deemed to have taken full account of the information contained within this addendum when preparing their tender. No claims arising from a lack of knowledge of the information provided herein will be entertained.

Yours sincerely

David Toal
