RE: Tender Clarification Circular No.1

1. Please find attached zipped file containaing information on the Roodberg HBC 40 trailer, in particular its coupling arrangement.
2. The pricing schedule (Appendix 2) – Tenderers are requested to include a line item within Appendix 2 Pricing Schedule for a full comprehensive 5 year service plan to be completed as per the manufactures recommendations and assuming 500hrs of use annually. Note: A substitutue tractor will be required if the tractor has to leave the Fishery Harbour Centre. This cost must be included within the 5 year maintenance plan. Please ensure you add an additional line within the pricing schedule to include for this cost.
