3.5 Right to Tender outside of the Framework

The Contracting Authority intends to use the framework for the procurement of requirements falling within its scope during the specified period; however, it reserves the right to go outside the framework for the procurement of any requirement without reference to the Framework Member. Admission to a framework does not guarantee the award of any contract to any economic operator, nor does it give the member the right to be consulted in respect of, or tender for, any contract.

Admission to the framework agreement will be conditional upon acceptance of the Contracting Authority's Framework Terms and Conditions in Appendix 1.

This shall be without prejudice to the right of the Contracting Authority to cancel this competitive process and/or initiate a new contract award procedure at its sole discretion.

Detailed invoicing arrangements will be agreed with the successful tenderer.

3.10 Review of Supplier Performance

The successful tenderer will be appointed for a probationary period of 3 months, during that time the supplier will be assessed based on various relevant criteria. At the end of the 3 months probationary period, the contract will either be allowed to continue if performance has been satisfactory or terminated if it has not and supplier shortcomings cannot be addressed.

In the event that the contract is continued, the contract will be subject to a further official review every 12 months thereafter and will only be continued subject to satisfactory performance. In the event that the contract is terminated Dublin City Council reserves the right to revert to the tenderer who finished in second place (depending on said tenderer demonstrating continued compliance with all stated evaluation criteria) in this competition.

Supplier performance will however be continually monitored over the term of the contract. [Quality of service and turnaround time] will be the main criteria for measuring performance. It is expected that the successful tenderer will take a proactive role in monitoring performance with a view to making appropriate recommendations where necessary.

3.11 Termination of Framework / Contract

--	---

NOTE 1: Tenderers should note that they must achieve a minimum rating of **50%** for criteria (A) in order to avoid elimination from the competition. Please note that in relation to criterion (B – Cost Criterion), tenders will be scored in inverse proportion to the maximum score, which will be allocated to the lowest cost valid tender not previously eliminated on qualitative grounds.

NOTE 2: Tenderers should ensure in their tenders that they provide detailed information in respect of all aspects of the contract award criteria as stated above. This will enable the awarding authority to assess fully the extent of their offers.

NOTE 3: Tie-Break Rules: MEAT Assessment

In the event that there are two or more highest ranked Tenderers that obtain the same total marks (i.e. a tie for the highest ranked Tenderer) OR there is a tie for any place on the framework agreement the following tie-break rules will be adopted:

The Tenderer who has been awarded the highest marks for the total qualitative assessment (i.e. non-cost related element) of their Tender will be deemed to be the most economically advantageous tender (“MEAT”).

In the event the Tenderers receive the same marks for the qualitative assessment of their Tender, the Tenderer who has been awarded the highest marks for “**A. Letting and Delivery Capability**” will be deemed the MEAT.

In the event of the application of this tie-break rule not resulting in the determination of a MEAT, this approach will continue to be applied to each of the award criteria in the descending order listed in below until such time as a MEAT can be determined:

Order of Tie Break Evaluation Criteria^{*}:

1. B. Cost

In the unlikely event of the rules set out above failing to determine a MEAT, the preferred Tenderer shall be selected on the basis of random selection. In such a circumstance, representatives of each Tenderer that achieved the same highest marks

are invited to observe the random selection and Tenderers will be notified in advance of the time/date and location of the random selection procedure.

NOTE 4: Tie-Break Rules: Ranking

The Framework Agreement will result in a ranking system where the highest scoring tenderer by reference to the award criteria set out at Section 5 will be ranked number 1, the second highest scoring tenderer by reference to the award criteria will be ranked number 2, etc.

In the event that there is a tie for any position on the Framework Agreement other than last place, (i.e. a tie for positions 1), the Tenderer who has been awarded the highest marks for total Qualitative Award of their Tender will be deemed to be the higher ranked tender for the purposes of framework ranking.

In the event the Tenderers receive the same marks for the Qualitative assessment of their tender, the Tie-Break rules will proceed as per above **Note 3: Tie-Break Rules: MEAT Assessment.**

5.1 Methodology for Calculating the Cost Score

The following formula will be applied to the cost score:

The lowest cost tender that also meets all the minimum requirements of the qualitative award criteria will receive the maximum score achievable under this criterion. The scores of the other valid tenders will be calculated using the following formula:

Lowest Cost from a Bona Fide Tender	A
Cost for the tender being evaluated	B
Maximum Points available for Cost	3000
Formula employed	$\frac{3000}{B} \times A$

5.2 Methodology for Calculating Scoring of Qualitative Criteria

Score	Meaning	Interpretation
90 – 100%	Outstanding	A very comprehensive response demonstrating extensive understanding offering full assurance to client – fully supported with no reservations.
80 – 89%	Excellent	An excellent response demonstrating excellent understanding offering assurance to client – strongly supported.
70 – 79%	Very good	A very good response demonstrating very good understanding offering assurance to client – fully supported.
60 – 69%	Good	A good response demonstrating good understanding offering assurance to client – well supported.
50 – 59%	Acceptable	An acceptable response demonstrating a minimum understanding offering assurance to client – satisfactorily supported.
Less than 50% is unacceptable		

Marks in the score ranges outlined above can be awarded where responses so merit additional marks.

5.3 Clarification / Verification Meetings

Award of contract/membership of the framework agreement may be subject to attendance at a clarification and verification meeting. It would be essential that the key personnel assigned to this contract should be available and present at this meeting. If required, tenderers will be notified of the date, time, agenda and format for such meetings as soon as possible.

A visit to the tenderer's premises may be required to clarify any questions or queries regarding the tender offer.

Tenderers should note that the Contracting Authority reserves the right to confirm that the financial and technical capacity of the tenderer is valid and unchanged prior to the award of any contract.

If the Contracting Authority considers the tender submission to be commercially unsustainable or otherwise problematic in light of the tendered price or any other financial matter (including proposed indicative hours), the tenderer shall be invited to provide clarification to the Contracting Authority in respect of all elements of the tender submission that the Contracting Authority deems relevant. Any failure to satisfactorily comply with such a request, or to satisfactorily address the Contracting Authority's concerns, may, at the discretion of the Contracting Authority, result in the elimination of the tender in question on the basis of it being considered abnormally low.
