- 1.2 In summary, the Services comprise:
- The Services comprise of landscaping and gardening maintenance and related services for three of our regions primarily located in counties Dublin, Wicklow and Kildare.
- 1.3 This public procurement competition will be divided into lots (each a “Lot”) as described below. Each Lot will result in a separate contract.
- **Lot 1: Leinster**
 - **Lot 2: Dublin Southeast**
 - **Lot 3: Community Mental Health Services**
- 1.4 This public procurement competition (the “Competition”) will be conducted in accordance with the open procedure under the European Union (Award of Public Authority Contracts) Regulations 2016 (Statutory Instrument 284 of 2016) (the “Regulations”). Any contract that may result from this Competition (the “Services Contract”) will be issued for a term of 2 years (“the Term”).
- 1.5 The Contracting Authority reserves the right to extend the Term for a period or periods of up to 12 months with a maximum of 4 such extension or extensions on the same terms and conditions, subject to the Contracting Authority’s obligations at law.
- 1.6 The Contracting Authority estimates that the expenditure on the Services to be covered by the proposed Services Contract may amount to some €552,000 (excl. VAT) for Lot 1, €330,000 (excl. VAT) for Lot 2 and €138,000 for Lot 3 over the Term and any possible extensions. Tenderers must understand that this figure is an estimate only based on current and future expected usage.
- 1.7 Contracting Authority policy seeks to encourage participation on a fair and equal basis by Small and Medium Enterprises (“SME”s) in this Competition. SMEs that believe the scope of this Competition is beyond their technical or business capacity are encouraged, subject to paragraph 2.5, to explore the possibilities of forming relationships with other SMEs or with larger enterprises. Through such relationships they can participate and contribute to the successful implementation of any Services Contract that may result from this Competition and therefore increase their social and economic benefits.
- Larger enterprises are also encouraged, subject to paragraph 2.5, to consider the practical ways that SMEs can be included in their proposals to maximise the social and economic benefits of any Services Contracts that may result from this Competition.

Part 2: Instructions to Tenderers

2.1 IMPORTANT NOTICES

- 2.1.1 While every effort has been made to provide comprehensive and accurate information in all notices and documents prepared for the purposes of this Competition, the Contracting Authority does not accept any liability or provide any express or implied warranty in respect of any such information. Tenderers must form their own conclusions about the solution

needed to meet the requirements set out in this RFT and may wish to consult their legal advisers.

- 2.1.2 The Contracting Authority does not bind itself to accept the lowest priced or any Tender. This RFT does not constitute an offer or commitment to enter into a Services Contract.

No contractual rights in relation to the Contracting Authority will exist unless and until a formal written Services Contract has been executed by or on behalf of the Contracting Authority.

Any notification of preferred bidder status by the Contracting Authority shall not give rise to any enforceable rights by the Tenderer.

The Contracting Authority may cancel this Competition at any time prior to a formal written Services Contract being executed by or on behalf of the Contracting Authority.

The award of a Services Contract does not confer exclusivity on the successful Tenderer.

- 2.1.3 This RFT supersedes and replaces any and all previous documentation, communications and correspondence between the Contracting Authority and Tenderers, and Tenderers should place no reliance on such previous documentation and correspondence.

- 2.1.4 In this clause 2.1.4, "Data Protection Laws" means all applicable national and EU data protection laws, regulations and guidelines including but not limited to Regulation (EU) 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (the "General Data Protection Regulation"), and any guidelines and codes of practice issued by the Office of the Data Protection Commission or other supervisory authority for data protection in Ireland from time to time.

The Contracting Authority will be a Data Controller (where Data Controller has the meaning given under the Data Protection Laws) in respect of any Personal Data (where Personal Data has the meaning given under the Data Protection Laws) required to be provided by the Tenderer in response to this RFT.

The Tenderer, as Data Controller in respect of any Personal Data provided by it in its Tender, is required to confirm in the statement required under paragraph 2.4 below that all Data Subjects (where Data Subject has the meaning given under the Data Protection Laws) whose Personal Data is provided by the Tenderer have consented to the processing of such Personal Data by the Tenderer, the Contracting Authority, the Evaluation Team and the supplier of the etenders.gov.ie website, for the purposes of the participation of the Tenderer in this Competition or that the Tenderer otherwise has a legal basis for providing such Personal Data to the Contracting Authority for the purposes of its participation in this Competition.

- 2.1.5 The Contracting Authority would refer Tenderers in particular to the provisions of Regulation (EU) 2022/1031 on the access of third country economic operators, goods and services to the Union's public procurement and concession markets and procedures supporting negotiations on access of Union economic operators, goods and services to the public procurement and concession markets of third countries (International Procurement Instrument – IPI), and to their obligation to comply therewith. In particular, tenderers and candidates should note in Article 6 of Regulation (EU) 2022/1031, the obligations for a Contracting Authority in the context of a procurement procedure where the EU Commission has adopted an IPI measure.

- 2.1.6 Tenderers are referred to the provisions of Regulation (EU) 2022/2560 of the European Parliament and of the Council on Foreign Subsidies distorting the Internal Market, in addition

to Commission Implementing Regulation (EU) 2023/1441, and their obligation to comply therewith. In particular, tenderers and candidates should note the requirements in Articles 28 and 29 of Regulation (EU) 2022/2560 relating to the prior notification or declaration of foreign financial contributions, where the estimated value of the public procurement procedure is equal to or greater than the applicable financial thresholds set out therein. In that regard, Tenderers and Candidates are referred to Appendix 3A of the RFT.

2.2 COMPLIANT TENDERS

2.2.1 If a Tenderer fails to comply in any respect with the requirements of this paragraph 2.2.1, the Contracting Authority reserves the right to reject the Tenderer's Tender as noncompliant or, without prejudice to this right and subject to its obligations at law, to take any other action it considers appropriate including but not limited to:

- seeking written clarification from the Tenderer;
- seeking further information from the Tenderer; or
- waiving a requirement, which in the Contracting Authority's view, is non-material or procedural.

Tenderers are required:

- (a) To complete and submit with their Tender the electronic version of the European Single Procurement Document ("[eESPD](#)"). Tenderers may submit an eESPD which has already been used in a previous procurement procedure PROVIDED THAT they confirm that: (i) the information contained in it continues to be correct and (ii) that they satisfy the Selection Criteria for this Competition as set out at part 3.2 below;

3.3.1.B	5 x A4 pages.

No commitment of any kind, contractual or otherwise shall exist unless and until a formal

written contract has been executed by or on behalf of the Contracting Authority. Any award of notification of preferred bidder status by the Contracting Authority shall not give rise to any enforceable rights by the Tenderer. The Contracting Authority may cancel this public procurement competition at any time prior to a formal written contract being executed by or on behalf of the Contracting Authority. The Contracting Authority does not bind itself to accept the lowest priced or any Tender.

3.3.2 Evaluation steps of Award Criteria

3.3.2.1 Evaluation of Qualitative Sub-Criteria

- i) A total of 600 marks is allocated across the qualitative criteria, which equates to 60% of the overall marks available.
- ii) For each of the non-cost sub-criteria included in the Award Criteria table on item 3.3.1 above, the scoring methodology set out in the table below will apply.

3.3.2.1.1 Scoring Methodology

Score	Meaning
90 - 100%	Excellent response with very few or no weaknesses and provides comprehensive, detailed, and convincing assurance that the Tenderer will deliver to an excellent standard.
80 - 89%	A very good response that demonstrates real understanding for the requirements and assurance that the Tenderer will delivery to a high standard.
70 - 79%	A good response that demonstrates real understanding and generally meets the requirements and provides assurance that the Tenderer will deliver to good standard.
60 - 69%	A satisfactory response which demonstrates a reasonable understanding of requirements but does not provide sufficient convincing assurance to award a higher mark.
20 - 59%	A response not meeting the minimum requirement where reservations exist . Response lacks full credibility and/or convincing detail, leaving the Contracting Authority to determine that there is risk associated with selection of the tender.
1 - 19%	A response where serious reservations exist not meeting minimum requirements . This may be due to insufficient detail provided and fundamental flaws, or is seriously inadequate or lacking in credibility with a high risk of unsuccessful delivery.
0	Response completely fails to address the requirements.

Example: Where the maximum mark available for a qualitative sub-criterion is 200 and the tender evaluation panel determines that the response falls under the “satisfactory response” description, then the evaluation panel may award a minimum of 60% of the total marks available (i.e. 120 marks) and a maximum of 69% of the total marks available (i.e. 138 marks), dependant on the quality of the response.

iii) Those Tenderers that have not achieved the required Minimum Marks for as described for each qualitative award criteria lot will be eliminated without having their costs assessed and their proposed prices will not be considered for the purposes of calculating the Cost Score (as per the formula set out at 3.3.2.2) of the Tenderers that have achieved the Minimum Marks.

3.3.2.2 Evaluation of Costs

Where a Tenderer submits a tender for more than one Lot, each Lot will be evaluated independently. Tenderers should ensure that the pricing submitted for each Lot is based on the possibility that only that Lot may be awarded.

For each Lot, Tenderers must complete the Pricing Schedule by providing an annual cost for each site, reflecting the services specified for that site. The total annual cost for the Lot will be calculated by aggregating the costs for all sites within that Lot.

The total annual cost for the Lot will be used to determine the cost score as follows:

Cost Score =	(Lowest Tendered Total Cost ÷ Tendered Total Cost under evaluation) x Maximum Marks Available
---------------------	--

The Tenderer with the lowest evaluated total cost will receive the maximum marks available for cost. All other Tenderers will be awarded marks on a proportional basis using the formula above.

3.3.2.3 Totalling of Marks

v) The total marks achieved for the qualitative award criterion and sub-criteria (Step 1) will be added to the total marks achieved for the cost criterion (Step 2) to arrive at a Total Overall Score. The Tender with the highest Total Overall Score will be deemed to be the MEAT and will be deemed successful, subject to meeting all other requirements of this RFT.

3.3.2.4 Tiebreaker (if required)

vi) In the event that two or more Tenders are deemed to have the same highest Total Overall Score, the following tie-break approach will be adopted.

(a) The Tender which has been awarded the highest number of marks for the overall qualitative award criteria will be deemed to be the MEAT.

(b) In the event of the application of this tie-break rule not resulting in the determination

of a preferred MEAT, the following approach will be applied; The Tender that has been awarded the highest number of the total marks available for the first sub-criterion, set out in Table 4 below, will be deemed to be the most economically advantageous tender. This approach will continue to be applied to each of the sub-criteria in the descending order listed below until such time as a preferred MEAT can be determined.

Order	Item	Award Sub-criterion
1	3.3.1.B	Resource planning
2	3.3.1.A	Service Methodology
3	3.3.1.2	Cost
4	3.3.1.C	Contract Management
5	3.3.1.D	Health, Safety and Safeguarding
6	3.3.1.E	Environmental & Sustainability

3.3.3 Subject to paragraphs 2.1 (Important Notices) and 3.5 (Standstill Period) of this RFT, award of the Services Contract to the highest ranked Tenderer (as determined by paragraph 3.3.1) will be conditional upon:

- (a) the Tenderer submitting the following evidence in respect of the Tenderer (including the Prime Contractor and any Subcontractors, as applicable in accordance with paragraph 3.1 above) to the extent not already provided, within seven (7) days of request by the Contracting Authority: (i) a Declaration in the form attached at Appendix 4; (ii) if applicable, evidence to the effect that measures taken by the entity concerned are sufficient to demonstrate its reliability despite the existence of a relevant Exclusion Ground; (iii) all or any of the supporting documents specified at paragraph 3.2; and
- (b) the evidence specified at paragraph 3.3.2(a) above demonstrating that each entity concerned meets the Selection Criteria and the compliance requirements specified at paragraph 3.1(b) and (c) above.

3.4 PRESENTATION OF PROPOSALS

Tenderers may be required to make a presentation of the proposal contained in their Tender. The Contracting Authority will not be responsible for the cost of such presentations (in accordance with paragraph 2.8). Performance at presentations will NOT be evaluated.

3.5 STANDSTILL PERIOD

3.5.1 In circumstances where the European Communities (Public Authorities' Contracts) (Review Procedures) Regulations 2010 (Statutory Instrument 130 of 2010), as amended by the European Communities (Public Authorities' Contracts) (Review Procedures) (Amendment) Regulations 2015 (Statutory Instrument 192 of 2015) and the European Communities (Public Authorities' Contracts (Review Procedures) (Amendment) Regulation 2017 (Statutory Instrument 327 of 2017) apply, no contract can or will be executed or take effect until at least fourteen (14) calendar days after the day on which the Tenderers have been sent a notice informing them of the result of this Competition ("Standstill Period") if such notice is sent by electronic means. The Standstill Period shall be sixteen (16) calendar days if such notice is

sent by other means. The preferred bidder will be notified of the decision of the Contracting Authority and of the expiry date of the Standstill Period.

- 3.5.2 Tenderers should note that the Contracting Authority may, when notifying Tenderers of the results of this Competition, include the scores obtained by the Tenderer concerned and the scores obtained by the preferred bidder in respect of each award criterion assessed by the Contracting Authority.

3.6 RETURN OF SIGNED CONTRACTS

- 3.6.1 The successful Tenderer must sign and return the Services Contract and the Confidentiality Agreement, both in duplicate, to the Contracting Authority no later than 10 calendar days from the date of expiry of the Standstill Period unless notified otherwise in writing by the Contracting Authority. A signed Services Contract returned by the successful Tenderer is not binding on the Contracting Authority until the Contracting Authority has signed the Services Contract in accordance with paragraph 2.1.2 above.
- 3.6.2 Where the signed Services Contract and the Confidentiality Agreement have not been received by the Contracting Authority within the period as specified at paragraph 3.6.1 then the Contracting Authority may proceed to award the Services Contract to the next highest ranked Tenderer in accordance with paragraph 3.6.1 above.
