- a) Submitted compliant Tenders pursuant to Section 6.2 below, and
- b) Declared by way of eESPD that either:
  - (i) no grounds for exclusion of the Tenderer pursuant to Regulation 57 of the Regulations (the “Exclusion Grounds”) apply to them, or
  - (ii) where any such Exclusion Grounds apply, and where the Tenderer is not precluded from doing so under Regulation 57(17) of the Regulations, it can provide evidence to the effect that measures taken by the Tenderer are sufficient to demonstrate its reliability despite the existence of any relevant Exclusion Ground, and
- c) Declared by way of eESPD that they satisfy the selection criteria for this Competition as set out in Section 4.2 below (the “Selection Criteria”), will be awarded any contract.

Tenderers should note that where a Tenderer (Prime Contractor) is relying on the capacity of other entities (Subcontractors) for the purposes of fulfilling any of the Selection Criteria in Section 4.2 below it must:

- (i) complete and submit a separate eESPD in respect of each such Subcontractor and
- (ii) submit proof, to the satisfaction of the Contracting Authority, that each such Subcontractor will place the necessary resources at the disposal of the Prime Contractor.

Where a Tenderer (Prime Contractor) intends to subcontract any share of any Contract to a Subcontractor, but is not relying on the capacity of such Subcontractor for the purposes of fulfilling any of the Selection Criteria in Section 4.2 below, it must ensure that each such Subcontractor submits a separate eESPD in respect of such Subcontractor completing those sections of the eESPD which are specified in section [2.D] of the eESPD for this Competition.

However, notwithstanding anything to the contrary in this Section 4.1, the Contracting Authority reserves the right to ask Tenderers at any moment during the Competition to submit any or all of the following for the purposes of verification of the status of the Tenderer (including the Prime Contractor and any Subcontractor):

- (i) The Declarations and Statements in the TRD;
- (ii) evidence to the effect that measures taken by the entity concerned are sufficient to demonstrate its reliability despite the existence of a relevant Exclusion Ground;
- (iii) all or any of the supporting documents specified at paragraph 4.2 below.

If a Tenderer does not provide evidence which is considered by the Contracting Authority as sufficient to demonstrate:

- (i) its fulfilment of the Selection Criteria (or any one of them) in accordance with this RFT and
- (ii) the absence of Exclusion Grounds, or its reliability despite the existence of a relevant Exclusion Ground, it shall be excluded from further participation in this Competition.

If a Tenderer does not provide evidence which is considered by the Contracting Authority as sufficient to demonstrate:

- (i) the fulfilment by any Subcontractor on whose capacity the Prime Contractor relies of the Selection Criteria (or any one of them) in accordance with this RFT and
- (ii) the absence of Exclusion Grounds in respect of any Subcontractor, or the reliability of any Subcontractor despite the existence of a relevant Exclusion Ground, it shall be excluded from participation in this Competition unless it replaces the Subcontractor with one which meets all relevant requirements of this RFT.

## 4.2. Selection Criteria

Tenderers will either pass OR fail each of the Selection Criteria specified below in Sections 4.2.1 and 4.2.2

A Tenderer who fails a selection criterion will be excluded from participating in this Competition.

Tenderers are reminded that they may rely on the capacities of other entities in order to meet any of the Selection Criteria.

### 4.2.1. Economic and Financial Requirements

Tenderers must declare by way of ESPD that they satisfy the financial and economic standing requirement(s) set out below and that they are able, upon request and without delay, to provide the supporting documentation specified below to the Contracting Authority in each case.

#### Evaluation – Pass / Fail

Tenderers must provide the supporting documentation specified above without delay when requested by the Contracting Authority. However, where the Tenderer is unable, for a valid reason, to provide the specified documentation, the Tenderer must inform the Contracting Authority of the valid reason as to

why the documentation cannot be supplied and, if the Contracting Authority considers the reason given to be valid, provide such other suitable alternative documentation to prove, to the satisfaction of the Contracting Authority, their economic and financial capacity.

In the case of the Tenderer being a consortium, this financial criterion may be fulfilled by the consortium members as a whole.

Where the Tenderer is unable, for a valid reason, to provide the documentation specified, the Tenderer must inform the Contracting Authority of the reason why the documentation cannot be supplied and, if the Contracting Authority considers the reason given to be valid, provide such other suitable alternative documentation to prove, to the satisfaction of the Contracting Authority, their economic and financial capacity.

Tenderers are encouraged to meet the minimum requirements stated in the tender documents by submitting a joint response as part of a joint venture or consortium. SMEs that consider the scope of this Competition beyond their current technical or business capacity are encouraged, subject to paragraph 1.6, to explore forming relationships with other SMEs or larger enterprises. Such collaborations enable participation in and contribution to the successful implementation of any resulting **Services** Contract, thereby enhancing social and economic benefits. Likewise, larger enterprises are encouraged, also subject to paragraph 1.6, to consider including SMEs in their proposals to maximise these benefits

### 5.1.1. Minimum Scoring Requirements for Qualitative Award Criteria

Tenderers are advised that, in order to be considered for award of the Contract, a **minimum score of 60% must be achieved for each qualitative award criterion**. Failure to achieve the minimum threshold on any of the qualitative criteria will result in the tender being excluded from further evaluation, regardless of the total overall score.

### 5.2. Methodology for calculating the Ultimate Cost Score

The following formula will be applied to the cost score:

The lowest cost tender that also meets all the minimum requirements of the qualitative award criteria will receive the maximum score achievable under this criterion. The scores of the other valid tenders will be calculated using the following formula:

|            |   |                                |   |                                   |
|------------|---|--------------------------------|---|-----------------------------------|
| Cost Score | = | Lowest Ultimate Cost           | x | Maximum Number of Marks Available |
|            |   | Ultimate Cost under evaluation |   |                                   |

### 5.3. Methodology for scoring Qualitative Criteria

| Score                                                                              | Category    | Description                                                                                                                             |

| 80 – 89%                                                                           | Excellent   | An excellent response demonstrating excellent understanding offering assurance to client – fully supported.                             |
| 70 – 79%                                                                           | Very good   | A very good response demonstrating very good understanding offering assurance to client – strongly supported.                           |
| 60 – 69%                                                                           | Acceptable  | An acceptable response demonstrating good understanding offering assurance to client – well supported.                                  |

Marks within the defined scoring ranges above may be awarded where tender responses demonstrate merit beyond the minimum requirements, in accordance with the evaluation criteria.

#### **5.4. Tie-Break Rules**

In the event that there is a tie for the last available place, the following tie-break approach will be adopted:

The Tenderer who has been awarded the highest marks for total Qualitative Award Criteria (A to B) combined (Non-Cost) of their Tender will be deemed to be the most economically advantageous tender (“MEAT”).

In the event the Tenderers receive the same marks for the Qualitative Award Criteria (Non-Cost) element of their Tender, the Tenderer who has been awarded the highest marks for Criterion D of their Tender will be deemed the MEAT.

#### **5.5. Post Tender Clarification**

At the discretion of the Contracting Authority, tenderers may be invited, in writing, to clarify certain aspects of their tender, particularly where information or documentation to be submitted appears to be incomplete or erroneous. However, all such requests will be made in full compliance with the principles of equal treatment and transparency and avoid any distortion of competition.

#### **5.6. Verification**

Award of contract may be subject to attendance at a verification meeting. It would be essential that the key personnel assigned to this contract should be available and present at this meeting. If required, tenderers will be notified of the date, time, agenda and format for such meetings as soon as possible.

#### **5.7. Clarification of Abnormally Low Tenders**

If the Contracting Authority considers the tender submission to be commercially unsustainable or otherwise problematic considering the tendered price or any other financial matter (including proposed indicative hours), the tenderer shall be invited to provide clarification to the Contracting Authority in respect of all elements of the tender submission that the Contracting Authority deems relevant. Any failure to satisfactorily comply with such a request, or to satisfactorily address the

Contracting Authority's concerns, may, at the discretion of the Contracting Authority, result in the elimination of the tender in question based on it being considered abnormally low.

## **5.8. Right to Confirm Suitability**

Tenderers should note that the Contracting Authority reserves the right to confirm that the financial and technical capacity of the tenderer is valid and unchanged prior to the award of any contract.

## **5.9. Presentation of Proposals**

Tenderers may be required to make an in-person presentation of the proposal contained in their Tender. The Contracting Authority will not be responsible for the cost of such presentations (in accordance with paragraph 6.8). Performance at presentations will NOT be evaluated.

## **5.10. Standstill Period**

In circumstances where the European Communities (Public Authorities' Contracts) (Review Procedures) Regulations 2010 (Statutory Instrument 130 of 2010), as amended by the European Communities (Public Authorities' Contracts) (Review Procedures) (Amendment) Regulations 2015 (Statutory Instrument 192 of 2015) apply, no contract can or will be executed or take effect until at least fourteen (14) calendar days after the day on which the Tenderers have been sent a notice informing them of the result of this Competition (the "Standstill Period") if such notice is sent by electronic means. The Standstill Period shall be sixteen (16) calendar days if such notice is sent by other means. The preferred bidder will be notified of the decision of the Contracting Authority and of the expiry date of the Standstill Period.

Tenderers should note that the Contracting Authority may, when notifying Tenderers of the results of this Competition, include the scores obtained by the Tenderer concerned and the scores obtained by the preferred bidder in respect of each award criterion assessed by the Contracting Authority.

## 5.11. Return of Signed Contracts

The successful Tenderer(s) must sign and return the Contract in duplicate to the Contracting Authority no later than seven [7] calendar days from the date of expiry of the Standstill Period unless notified otherwise in writing by the Contracting Authority. A signed Contract returned by the successful Tenderer(s) is not binding on the Contracting Authority until the Contracting Authority has signed the Contract in accordance with paragraph 6.1.2 below.

Where the signed Contract has not been received by the Contracting Authority within the period as specified in tender document then the Contracting Authority may proceed to offer an award to the next highest-ranked Tenderer in accordance with the above.

## Section Six: Instruction to Tenderers

### 6.1. Important Notices

**6.1.1** While every effort has been made to provide comprehensive and accurate information in all notices and documents prepared for the purposes of this Competition, the Contracting Authority does not accept any liability or provide any express or implied warranty in respect of any such information. Tenderers must form their own conclusions about the solution needed to meet the requirements set out in this RFT and may wish to consult their legal advisers.

**6.1.2** The Contracting Authority does not bind itself to accept any Tender.

This RFT does not constitute an offer or commitment to enter into a **Services** Contract.

No enforceable commitment of any kind will exist unless and until a formal written Contract has been executed by or on behalf of the Contracting Authority.

No contractual rights in relation to the Contracting Authority will exist unless and until a formal written **Services** Contract has been executed by or on behalf of the Contracting Authority.

Any notification of preferred bidder status by the Contracting Authority shall not give rise to any enforceable rights by the Tenderer.

The Contracting Authority may cancel this Competition at any time prior to a formal written Contract being executed by or on behalf of the Contracting Authority.

The award of a **Services** Contract does not confer exclusivity on the successful Tenderer.

Tenderers should note that the Contracting Authority shall be under any obligation to purchase any minimum value of **Services** under any Contract.

**6.1.3** This RFT supersedes and replaces any and all previous documentation, communications and correspondence between the Contracting Authority and Tenderers, and Tenderers should place no reliance on such previous documentation and correspondence.

**6.1.4** In this clause 6.1.4, "Data Protection Laws" means all applicable national and EU data protection laws, regulations and guidelines including but not limited to Regulation (EU)

2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (the “General Data Protection Regulation”), and any guidelines and codes of practice issued by the Office of the Data Protection Commission or other supervisory authority for data protection in Ireland from time to time.

The Contracting Authority will be a Data Controller (where Data Controller has the meaning given under the Data Protection Laws) in respect of any Personal Data (where Personal Data has the meaning given under the Data Protection Laws) required to be provided by the Tenderer in response to this RFT.
