- 1.1 The Minister for Transport (the “Contracting Authority”) invites tenders (“Tenders”) to this request for tenders (“RFT”) from economic operators (“Tenderers”) for the provision of the services as described in Appendix 1 to this RFT (the “Services”).
- 1.2 In summary, the Services comprise of a fleet management service to control, manage, and maintain on a day-to-day basis, the IRCG vehicle, trailer, and equipment fleet.
- 1.3 *Not Used*
- 1.4 This public procurement competition (the “Competition”) will be conducted in accordance with the open procedure under the European Union (Award of Public Authority Contracts) Regulations 2016 (Statutory Instrument 284 of 2016) (the “Regulations”). Any contract that may result from this Competition (the “Services Contract”) will be issued for a term of four (4) **years** (“the Term”).
- 1.5 The Contracting Authority reserves the right to extend the Term for a period or periods of up to 2 years with a maximum of 2 (two) such extension or extensions on the same terms and conditions, subject to the Contracting Authority’s obligations at law.
- 1.6 The Contracting Authority estimates that the expenditure on the Services to be covered by the proposed Services Contract may amount to some 1,000,000 euro (excl. VAT) over the Term and any possible extensions. Tenderers must understand that this figure is an estimate only based on current and future expected usage.
- 1.7 Contracting Authority policy seeks to encourage participation on a fair and equal basis by Small and Medium Enterprises (“SME”s) in this Competition. SMEs that believe the scope of this Competition is beyond their technical or business capacity are encouraged, subject to paragraph 2.5, to explore the possibilities of forming relationships with other SMEs or with larger enterprises. Through such relationships they can participate and contribute to the successful implementation of any Services Contract that may result from this Competition and therefore increase their social and economic benefits.
- Larger enterprises are also encouraged, subject to paragraph 2.5, to consider the practical ways that SMEs can be included in their proposals to maximise the social and economic benefits of any Services Contracts that may result from this Competition.

Part 2: Instructions to Tenderers

2.1 IMPORTANT NOTICES

2.1.1 While every effort has been made to provide comprehensive and accurate information in all notices and documents prepared for the purposes of this Competition, the Contracting Authority does not accept any liability or provide any express or implied warranty in respect of any such information. Tenderers must form their own conclusions about the solution needed to meet the requirements set out in this RFT and may wish to consult their legal advisers.

2.1.2 The Contracting Authority does not bind itself to accept the lowest priced or any Tender. This RFT does not constitute an offer or commitment to enter into a Services Contract. No contractual rights in relation to the Contracting Authority will exist unless and until a formal written Services Contract has been executed by or on behalf of the Contracting Authority. Any notification of preferred bidder status by the Contracting Authority shall not give rise to any enforceable rights by the Tenderer. The Contracting Authority may cancel this Competition at any time prior to a formal written Services Contract being executed by or on behalf of the Contracting Authority. The award of a Services Contract does not confer exclusivity on the successful Tenderer.

2.1.3 This RFT supersedes and replaces any and all previous documentation, communications and correspondence between the Contracting Authority and Tenderers, and Tenderers should place no reliance on such previous documentation and correspondence.

2.1.4 In this clause 2.1.4, “Data Protection Laws” means all applicable national and EU data protection laws, regulations and guidelines including but not limited to Regulation (EU) 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (the “General Data Protection Regulation”), and any guidelines and codes of practice issued by the Office of the Data Protection Commission or other supervisory authority for data protection in Ireland from time to time.

The Contracting Authority will be a Data Controller (where Data Controller has the meaning given under the Data Protection Laws) in respect of any Personal Data (where Personal Data has the meaning given under the Data Protection Laws) required to be provided by the Tenderer in response to this RFT.

The Tenderer, as Data Controller in respect of any Personal Data provided by it in its Tender, is required to confirm in the statement required under paragraph 2.4 below that all Data Subjects (where Data Subject has the meaning given under the Data Protection Laws) whose Personal Data is provided by the Tenderer have consented to the processing of such Personal Data by the Tenderer, the Contracting Authority, the Evaluation Team and the supplier of the etenders.gov.ie website, for the purposes of the participation of the Tenderer in this Competition or that the Tenderer otherwise has a legal basis for

providing such Personal Data to the Contracting Authority for the purposes of its participation in this Competition.

- 2.1.5 The Contracting Authority would refer Tenderers in particular to the provisions of Regulation (EU) 2022/1031 on the access of third country economic operators, goods and services to the Union's public procurement and concession markets and procedures supporting negotiations on access of Union economic operators, goods and services to the public procurement and concession markets of third countries (International Procurement Instrument – IPI), and to their obligation to comply therewith.

In particular, tenderers and candidates should note in Article 6 of Regulation (EU) 2022/1031, the obligations for a Contracting Authority in the context of a procurement procedure where the EU Commission has adopted an IPI measure.

- 2.1.6 Tenderers are referred to the provisions of Regulation (EU) 2022/2560 of the European Parliament and of the Council on Foreign Subsidies distorting the Internal Market, in addition to Commission Implementing Regulation (EU) 2023/1441, and their obligation to comply therewith. In particular, tenderers and candidates should note the requirements in Articles 28 and 29 of Regulation (EU) 2022/2560 relating to the prior notification or declaration of foreign financial contributions, where the estimated value of the public procurement procedure is equal to or greater than the applicable financial thresholds set out therein. In that regard, Tenderers and Candidates are referred to Appendix 3A of the RFT.

2.2 COMPLIANT TENDERS

- 2.2.1 If a Tenderer fails to comply in any respect with the requirements of this paragraph 2.2.1, the Contracting Authority reserves the right to reject the Tenderer's Tender as non-compliant or, without prejudice to this right and subject to its obligations at law, to take any other action it considers appropriate including but not limited to:

- seeking written clarification from the Tenderer;
- seeking further information from the Tenderer; or
- waiving a requirement, which in the Contracting Authority's view, is non-material or procedural.

Tenderers are required:

- (a) To complete and submit with their Tender the electronic version of the European Single Procurement Document ("[eESPD](#)"). Tenderers may submit an eESPD which has already been used in a previous procurement procedure PROVIDED THAT they confirm that: (i) the information contained in it continues to be correct and (ii) that they satisfy the Selection Criteria for this Competition as set out at part 3.2 below;
- (b). To submit all documentation which this RFT requires to be submitted with their Tender;
- (c) To follow the format of this RFT and respond to each element in the order as set out in this RFT;
- (d) To conform to and comply with all instructions and requirements set out in this RFT;

- (e) To submit the statement required under paragraph 2.4 below; and
- (f) Not to alter or edit this RFT in any way.

2.2.2 Without prejudice to the generality of paragraphs 2.2.1, failure to comply with paragraph 2.6.1, 2.6.2 or 2.6.3 below will render the Tender non-compliant and it will be rejected.

2.3 SERVICES CONTRACT

- 2.3.1 Tenderers should note the terms and conditions of the Services Contract at Appendix 5 to this RFT.
- 2.3.2 Tenderers are required to confirm their acceptance of the terms and conditions of the Services Contract by signing the Tenderer's Statement at Appendix 3. Tenderers may not amend the Services Contract.

Each Tenderer is required to accept the provisions of this RFT. ALL TENDERERS MUST RETURN, with their Tender, a scanned signed copy of the Tenderer's Statement, as set out in Appendix 3, printed on the Tenderer's letterhead. The Contracting Authority must be able to read the scanned signature of the Tenderer. If possible, please sign documents using blue ink. If the Contracting Authority cannot read the scanned signature, Tenderers may be requested to re-submit. Tenderers may not amend the Tenderer's Statement.

Where a group of undertakings (in whatever form and regardless of the legal relationship between them) come together to submit a Tender in response to this RFT, the Contracting Authority will deal with all matters relating to this Competition through a single nominated entity authorised to represent all members of the group of undertakings. The Tenderer must provide details of all members of the group of undertakings and their role in the Tender and clearly set out the contact details including name, title, telephone number, postal address, facsimile number and e-mail address of the nominated entity authorised to represent the Tenderer and to whom all communications shall be directed and accepted until this Competition has been completed or terminated. Correspondence from any other person will NOT be accepted, acknowledged or responded to.

Prior to and as a condition of award of any Services Contract, the successful Tenderer shall be required to designate a single entity who will carry overall responsibility for the Services Contract (the "Prime Contractor"), irrespective of whether or not tasks are to be performed by a subcontractor or other consortium member (the "Subcontractor").

2.6 TENDER SUBMISSION REQUIREMENTS

- 2.6.1 Tenders must be submitted via the 'electronic tenderbox' available on www.etenders.gov.ie. Only Tenders submitted to the electronic tenderbox will be accepted. Tenderers should be aware that the “Submit” button will be disabled automatically at the Tender Deadline.

Please note: Tenderers must provide answers in an *Arial* font, font size 9. Answers must only be given in the provided boxes. Supplementary information may be given as an appendix only where specifically requested.

Where a Tenderer's response to a sub-criterion exceeds the given page limit, the response will cease to be evaluated beyond the maximum page limit.

Tenderers MUST achieve each of the 'minimum marks required' scores in "Quality and Comprehensiveness of the Response to Specification Requirements" specified in the table above to proceed to be evaluated under the 'Cost' criterion. Failure to achieve any minimum threshold scores will result in the Tenderer being eliminated from the Competition.

Each response provided by the Tenderer for each individual sub-criteria will be evaluated using the Scoring Methodology Table below. For each of the qualitative award criteria and Sub-Criteria (i.e. non-cost criteria) stated above, the following scoring methodology will be applied:

<u>Scoring Methodology Table</u>

4 (60 to 79%)	The Tenderer's proposal is assessed as demonstrating a good to very good level of quality, comprehensiveness and understanding in respect of the qualitative criterion.

Evaluation process for Cost Award Criteria

Tenderers are required to complete the Pricing Schedule in Appendix 2 in accordance with the instructions set out therein.

In calculating marks to be awarded Cost, the following methodology will apply for each criterion:

The lowest tendered total cost will be awarded full available marks.

All other Tenders will be marked relative to the lowest tendered total cost using the following formula:

Maximum marks available X Lowest Cost Tender	
-----	= Mark Awarded
Cost of Tender being evaluated.	

Awarded marks for each Criterion will be added together to provide an overall total cost score.

Overall Scores

Following the application of the evaluation methodologies set out above, each Tenderer's mark for the qualitative (non-cost) award criteria will be added to their mark for Costs to give an overall score out of 1000.

Tenderers will then be ranked from highest to lowest based on their overall scores. The award of a Contract will be governed by this ranking.

Tie Break Rule

In the event that there is a tie in total marks awarded (i.e. two or more highest ranking Tenderers obtain the same total mark), the following tie-break rules will be adopted:

The highest-ranking Tenderer who has been awarded the highest total mark for the Qualitative Award Criteria element (i.e. non-cost related element) of their Tender will be deemed to be the Most Economically Advantageous Tender ('MEAT').

In the event of the application of the tie-break rules above not resulting in the determination of the MEAT, the approach above will continue to be applied to each of the award criteria in the descending order set out below until such time as a MEAT can be determined.

No.	Award Criteria
1	Quality & Suitability of Tenderer's Methodology
2	Quality and Technical Merit
3	Green Public Procurement
4	Cost

In the unlikely event of the rules set out above failing to determine a MEAT, the preferred Tenderer shall be selected on the basis of random selection. Representatives of each Tenderer that achieved the same total marks will be invited to attend at the Contracting Authority's premises to observe the random selection and will be notified in advance of the time/date and location of the random selection procedure. Tenderers will also be notified in writing of the outcome of the random selection.

3.3.2 Subject to paragraphs 2.1 (Important Notices) and 3.5 (Standstill Period) of this RFT, award of the Services Contract to the highest ranked Tenderer (as determined by paragraph 3.3.1) will be conditional upon:

- (a) the Tenderer submitting the following evidence in respect of the Tenderer (including the Prime Contractor and any Subcontractors, as applicable in accordance with paragraph 3.1 above) to the extent not already provided, within seven (7) days of request by the Contracting Authority: (i) a Declaration in the form attached at Appendix 4; (ii) if applicable, evidence to the effect that measures taken by the entity concerned are sufficient to demonstrate its reliability despite the

existence of a relevant Exclusion Ground; (iii) all or any of the supporting documents specified at paragraph 3.2; and

- (b) the evidence specified at paragraph 3.3.2(a) above demonstrating that each entity concerned meets the Selection Criteria and the compliance requirements specified at paragraph 3.1(b) and (c) above.

3.4 PRESENTATION OF PROPOSALS

Tenderers may be required to make a presentation of the proposal contained in their Tender. The Contracting Authority will not be responsible for the cost of such presentations (in accordance with paragraph 2.8). Performance at presentations will NOT be evaluated.

3.5 STANDSTILL PERIOD

- 3.5.1 In circumstances where the European Communities (Public Authorities' Contracts) (Review Procedures) Regulations 2010 (Statutory Instrument 130 of 2010), as amended by the European Communities (Public Authorities' Contracts) (Review Procedures) (Amendment) Regulations 2015 (Statutory Instrument 192 of 2015) and the European Communities (Public Authorities' Contracts (Review Procedures) (Amendment) Regulation 2017 (Statutory Instrument 327 of 2017) apply, no contract can or will be executed or take effect until at least fourteen (14) calendar days after the day on which the Tenderers have been sent a notice informing them of the result of this Competition ("Standstill Period") if such notice is sent by electronic means. The Standstill Period shall be sixteen (16) calendar days if such notice is sent by other means. The preferred bidder will be notified of the decision of the Contracting Authority and of the expiry date of the Standstill Period.
- 3.5.2 Tenderers should note that the Contracting Authority may, when notifying Tenderers of the results of this Competition, include the scores obtained by the Tenderer concerned and the scores obtained by the preferred bidder in respect of each award criterion assessed by the Contracting Authority.

3.6 RETURN OF SIGNED CONTRACTS

- 3.6.1 The successful Tenderer must sign and return the Services Contract and the Confidentiality Agreement, both in duplicate, to the Contracting Authority no later than 7 calendar days from the date of expiry of the Standstill Period unless notified otherwise in writing by the Contracting Authority. A signed Services Contract returned by the successful Tenderer is not binding on the Contracting Authority until the Contracting Authority has signed the Services Contract in accordance with paragraph 2.1.2 above.
- 3.6.2 Where the signed Services Contract and the Confidentiality Agreement have not been received by the Contracting Authority within the period as specified at paragraph 3.6.1 then the Contracting Authority may proceed to award the Services Contract to the next highest-ranked Tenderer in accordance with paragraph 3.6.1 above.
