Part 1: Introduction

- 1.1 The Irish Defence Forces (the “Contracting Authority”) invites tenders (“Tenders”) to this request for tenders (“RFT”) from economic operators (“Tenderers”) for the provision of the services as described in Appendix 1 to this RFT (the “Services”).
- 1.2 In summary, the Services comprise:
- The provision of specialised instructors in order to support the delivery of instruction to students of the Trainee Technician Scheme and other related courses as required
- 1.3 *“Not Used”.*
- 1.4 This public procurement competition (the “Competition”) will be conducted in accordance with the open procedure under the European Union (Award of Public Authority Contracts) Regulations 2016 (Statutory Instrument 284 of 2016) (the “Regulations”). Any contract that may result from this Competition (the “Services Contract”) will be issued for a term of **thirty-six 36 months** (“the Term”).
- 1.5 The Contracting Authority reserves the right to extend the Term for a period or periods of up to **twelve (12) months** with a maximum of **two (2)** such extensions on the same terms and conditions, subject to the Contracting Authority’s obligations at law.
- 1.6 The Contracting Authority estimates that the expenditure on the Services to be covered by the proposed Services Contract may amount to some **€3,500,000** (excl. VAT) over the Term and any possible extensions. Tenderers must understand that this figure is an estimate only based on current and future expected usage.
- 1.7 Contracting Authority policy seeks to encourage participation on a fair and equal basis by Small and Medium Enterprises (“SME”s) in this Competition. SMEs that believe the scope of this Competition is beyond their technical or business capacity are encouraged, subject to paragraph 2.5, to explore the possibilities of forming relationships with other SMEs or with larger enterprises. Through such relationships they can participate and contribute to the successful implementation of any Services Contract that may result from this Competition and therefore increase their social and economic benefits.
- Larger enterprises are also encouraged, subject to paragraph 2.5, to consider the practical ways that SMEs can be included in their proposals to maximise the social and economic benefits of any Services Contracts that may result from this Competition.
- 1.8 **Green Public Procurement**
- Green Public Procurement is a system to drive sustainability, promote resource efficiency and to progress circular economy ambitions. It is a process where goods, services and works with a reduced environmental impact over their lifecycle are procured over goods, services and works with the same primary function that would have otherwise been procured. This is relevant given the importance of public sector spending on goods and services in Ireland.
- The Contracting Authority will awards marks to Tenderer’s under ‘Added Value at no extra cost’ who show initiative towards meeting these goals.

Part 2: Instructions to Tenderers

2.1 IMPORTANT NOTICES

2.1.1 While every effort has been made to provide comprehensive and accurate information in all notices and documents prepared for the purposes of this Competition, the Contracting Authority does not accept any liability or provide any express or implied warranty in respect of any such information. Tenderers must form their own conclusions about the solution needed to meet the requirements set out in this RFT and may wish to consult their legal advisers.

2.1.2 The Contracting Authority does not bind itself to accept the lowest priced or any Tender. This RFT does not constitute an offer or commitment to enter into a Services Contract. No contractual rights in relation to the Contracting Authority will exist unless and until a formal written Services Contract has been executed by or on behalf of the Contracting Authority. Any notification of preferred bidder status by the Contracting Authority shall not give rise to any enforceable rights by the Tenderer. The Contracting Authority may cancel this Competition at any time prior to a formal written Services Contract being executed by or on behalf of the Contracting Authority. The award of a Services Contract does not confer exclusivity on the successful Tenderer.

2.1.3 This RFT supersedes and replaces any and all previous documentation, communications and correspondence between the Contracting Authority and Tenderers, and Tenderers should place no reliance on such previous documentation and correspondence.

2.1.4 In this clause 2.1.4, “Data Protection Laws” means all applicable national and EU data protection laws, regulations and guidelines including but not limited to Regulation (EU) 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (the “General Data Protection Regulation”), and any guidelines and codes of practice issued by the Office of the Data Protection Commission or other supervisory authority for data protection in Ireland from time to time.

The Contracting Authority will be a Data Controller (where Data Controller has the meaning given under the Data Protection Laws) in respect of any Personal Data (where Personal Data has the meaning given under the Data Protection Laws) required to be provided by the Tenderer in response to this RFT.

The Tenderer, as Data Controller in respect of any Personal Data provided by it in its Tender, is required to confirm in the statement required under paragraph 2.4 below that all Data Subjects (where Data Subject has the meaning given under the Data Protection Laws) whose Personal Data is provided by the Tenderer have consented to the processing of such Personal Data by the Tenderer, the Contracting Authority, the Evaluation Team and the supplier of the etenders.gov.ie website, for the purposes of the participation of the Tenderer in this Competition or that the Tenderer otherwise has a legal basis for providing such Personal Data to the Contracting Authority for the purposes of its participation in this Competition .

- 2.1.5 The Contracting Authority would refer Tenderers in particular to the provisions of Regulation (EU) 2022/1031 on the access of third country economic operators, goods and services to the Union's public procurement and concession markets and procedures supporting negotiations on access of Union economic operators, goods and services to the public procurement and concession markets of third countries (International Procurement Instrument – IPI), and to their obligation to comply therewith.
- 2.1.6 Tenderers are referred to the provisions of Regulation (EU) 2022/2560 of the European Parliament and of the Council on Foreign Subsidies distorting the Internal Market, in addition to Commission Implementing Regulation (EU) 2023/1441, and their obligation to comply therewith. In particular, tenderers and candidates should note the requirements in Articles 28 and 29 of Regulation (EU) 2022/2560 relating to the prior notification or declaration of foreign financial contributions, where the estimated value of the public procurement procedure is equal to or greater than the applicable financial thresholds set out therein. In that regard, Tenderers and Candidates are referred to Appendix 3A of the RFT.

2.2 COMPLIANT TENDERS

- 2.2.1 If a Tenderer fails to comply in any respect with the requirements of this paragraph 2.2.1, the Contracting Authority reserves the right to reject the Tenderer's Tender as non-compliant or, without prejudice to this right and subject to its obligations at law, to take any other action it considers appropriate including but not limited to:

- seeking written clarification from the Tenderer;
- seeking further information from the Tenderer; or
- waiving a requirement, which in the Contracting Authority's view, is non-material or procedural.

Tenderers are required:

- (a) To complete and submit with their Tender the electronic version of the European Single Procurement Document ("[eESPD](#)"). Tenderers may submit an eESPD which has already been used in a previous procurement procedure provided that they confirm that:
- (i) the information contained in it continues to be correct and
 - (ii) that they satisfy the Selection Criteria for this Competition as set out at part 3.2 below;
- (b). To submit all documentation which this RFT requires to be submitted with their Tender;
- (c) To follow the format of this RFT and respond to each element in the order as set out in this RFT;
- (d) To conform to and comply with all instructions and requirements set out in this RFT;
- (e) To submit the statement required under paragraph 2.4 below; and
- (f) Not to alter or edit this RFT in any way.

- 2.2.2 Without prejudice to the generality of paragraphs 2.2.1, failure to comply with paragraph 2.6.1, 2.6.2 or 2.6.3 below will render the Tender non-compliant and it will be rejected.

2.3 SERVICES CONTRACT

- 2.3.1 Tenderers should note the terms and conditions of the Services Contract at Appendix 5 to this RFT.
- 2.3.2 Tenderers are required to confirm their acceptance of the terms and conditions of the Services Contract by signing the Tenderer's Statement at Appendix 3. Tenderers may not amend the Services Contract.

2.4 ACCEPTANCE OF RFT REQUIREMENTS

Each Tenderer is required to accept the provisions of this RFT. ALL TENDERERS MUST RETURN, with their Tender, a scanned signed copy of the Tenderer's Statement, as set out in Appendix 3, printed on the Tenderer's letterhead. The Contracting Authority must be able to read the scanned signature of the Tenderer. If possible, please sign documents using blue ink. If the Contracting Authority cannot read the scanned signature, Tenderers may be requested to re-submit. Tenderers may not amend the Tenderer's Statement.

2.5 CONSORTIA AND PRIME / SUBCONTRACTORS

Where a group of undertakings (in whatever form and regardless of the legal relationship between them) come together to submit a Tender in response to this RFT, the Contracting Authority will deal with all matters relating to this Competition through a single nominated entity authorised to represent all members of the group of undertakings. The Tenderer must provide details of all members of the group of undertakings and their role in the Tender and clearly set out the contact details including name, title, telephone number, postal address, facsimile number and e-mail address of the nominated entity authorised to represent the Tenderer and to whom all communications shall be directed and accepted until this Competition has been completed or terminated. Correspondence from any other person will NOT be accepted, acknowledged or responded to.

Prior to and as a condition of award of any Services Contract, the successful Tenderer shall be required to designate a single entity who will carry overall responsibility for the Services Contract (the "Prime Contractor"), irrespective of whether or not tasks are to be performed by a subcontractor or other consortium member (the "Subcontractor").

2.6 TENDER SUBMISSION REQUIREMENTS

- 2.6.1 Tenders must be submitted via the electronic postbox available on www.etenders.gov.ie. Only Tenders submitted to the electronic postbox will be accepted. Tenders submitted by any other means (including but not limited to by email, fax, post or hand delivery) will NOT be accepted.

Tenderers must ensure that they give themselves sufficient time to upload and submit all required tender documentation before the Tender Deadline (as defined in paragraph 2.6.2). Tenderers should take into account the fact that upload speeds vary. There is a maximum of 4GB for the total (combined) documents sent to the electronic postbox.

In order to submit a document to the electronic postbox, please note that you must click "Submit Response". After submitting you can still modify and re-send your response up

until response deadline. Tenderers should be aware that the 'Submit Response' button will be disabled automatically upon the expiration of the response deadline.

- 2.6.5 All Tenders submitted in soft copy must be compiled such that they can be read immediately using Microsoft Word/Excel or a PDF Reader. The Contracting Authority is not responsible for corruption in electronic documents. Tenderers must ensure electronic documents are not corrupt.
- 2.6.6 Tenderers are required to submit the following by the Tender Deadline:
- RFT Response document ('RFTRD').
 - Supporting documentation.
- 2.6.7 Tenderers should ensure to zip all uploaded documentation prior to clicking the 'Submit response' on the electronic postbox. Failure to zip folders will result in the file names being lost when downloaded by the contracting authority.

2.7 QUERIES AND CLARIFICATIONS

- 2.7.1 All queries relating to any aspect of this Competition or of this RFT must be directed to the messaging facility on www.etenders.gov.ie. Queries will be accepted no later than 1600hrs on 29th of October 2026 unless otherwise published by the Contracting Authority. For the avoidance of doubt, Tenderers may not contact the Contracting Authority directly regarding any aspect of this Competition.

2.11 ENVIRONMENTAL, SOCIAL AND LABOUR LAW

- 2.11.1** In the performance of any Services Contract awarded, the successful Tenderers and their Subcontractors (if any), shall be required to comply with all applicable obligations in the field of environmental, social and labour law that apply at the place where the services are provided, that have been established by EU law, national law, collective agreements or by international, environmental, social and labour law listed in Schedule 7 of the Regulations.

Where the provision of the Services will involve the provision to the Contracting Authority of Agency Workers (within the meaning of the 2012 Act), Tenderers should ensure that they consider their obligations under the 2012 Act when pricing their Tender. The Contracting Authority shall have no liability for any increase in salaries that may be payable as a result of the application of the 2012 Act to the provision of the Services.

2.12 PUBLICITY

No publicity regarding this Competition or any Services Contract pursuant to this Competition is permitted unless and until the Contracting Authority has given its prior written consent to the relevant communication.

2.13 REGISTRABLE INTEREST

Any Registrable Interest involving any Tenderer or Subcontractor and the Contracting Authority, members of the Government, members of the Oireachtas, or employees and officers of the Contracting Authority and their relatives must be fully disclosed in the Tender or, in the event of this information only coming to the notice of the Tenderer or Subcontractor after the submission of a Tender, must be communicated to the Contracting Authority immediately upon such information becoming known to the Tenderer or Subcontractor.

The terms "Registrable Interest" and "Relative" shall be interpreted as per Section 2 of the Ethics in Public Office Acts 1995 and 2001, copies of which are available at www.irishstatutebook.ie. The Contracting Authority will, at its absolute discretion, decide on the appropriate course of action, which may in appropriate circumstances include eliminating a Tenderer from this Competition or terminating any Services Contract entered into by a Tenderer.

2.14 ANTI-COMPETITIVE CONDUCT

Tenderers' attention is drawn to the Competition Act 2002 (as amended, the "2002 Act"). The 2002 Act makes it a criminal offence for Tenderers to collude on prices or terms in a public procurement competition.

- 2.16.2 Tenderers are asked to consider if any of the information supplied by them in their Tender should not be disclosed because of its confidentiality or commercial sensitivity. If Tenderers consider that certain information is not to be disclosed because of its confidentiality or commercial sensitivity, Tenderers must, when providing such information, clearly identify the specific sections of their Tender containing such information and specify the reasons for its confidentiality or commercial sensitivity. For the avoidance of doubt Tenderers may not assert confidentiality or commercial sensitivity over the entire Tender but must clearly identify the specific section containing such information. If Tenderers do not identify information as confidential or commercially sensitive, it is liable to be released in response to a request under the above legislation without further notice to or consultation with the Tenderer. The Contracting Authority will, where possible, consult with Tenderers about confidential or commercially sensitive information so identified before making its decision on a request received. The Contracting Authority accepts no liability whatsoever in respect of any information provided which is subsequently released (irrespective of notification) or in respect of any consequential damage suffered as a result of such obligations.

Tenderers are referred to www.revenue.ie for further information. Prior to the award of any Services Contract arising out of this Competition the successful Tenderer shall be required to supply its Tax Clearance Access Number and Tax Reference Number to facilitate online verification of their tax status by the Contracting Authority. By supplying these numbers the successful Tenderer acknowledges and agrees that the Contracting Authority has the permission of the successful Tenderer to verify its tax cleared position online.

2.18 CONFLICTS OF INTEREST

Any conflict of interest or potential conflict of interest on the part of a Tenderer, Subcontractor or individual employee(s) or agent(s) of a Tenderer or Subcontractor(s) must be fully disclosed to the Contracting Authority as soon as the conflict or potential conflict is or becomes apparent. Tenderers are required to declare that the preparation of their Tender was carried out independently. In the event of any actual or potential conflict of interest, the Contracting Authority may invite Tenderers to propose means by which the conflict of interest might be removed and in circumstances where there are links between Tenderers, the Contracting Authority may seek further information to confirm the Tenders have been prepared independently. The Contracting Authority will, at its absolute discretion, decide on the appropriate course of action, which may in appropriate circumstances include eliminating a Tenderer from this Competition or any Mini-Competition or terminating any Framework Agreement or Services Contract entered into by a Tenderer.

2.19 WITHDRAWAL FROM THIS COMPETITION

Tenderers are required to notify the Contracting Authority immediately via the e-tenders website, if at any stage they decide to withdraw from this Competition.

Part 3: Selection and Award Criteria

3.1 COMPLIANT TENDERS

3.1 Only those Tenderers who have: -

- (a) Submitted compliant Tenders pursuant to paragraph 2.2 above, and
- (b) Declared by way of eESPD that either:
 - (i) no mandatory grounds for exclusion of the Tenderer pursuant to Regulation 57 of the Regulations apply to them, or
 - (ii) in circumstances where any mandatory exclusion grounds apply to the Tenderer (and where the Tenderer is not precluded from doing so under Regulation 57(17) of the Regulations), that it can provide evidence to the effect that measures taken by it are sufficient to demonstrate its reliability despite the existence of any such relevant exclusion ground, and
- (c) Declared by way of eESPD that they satisfy the selection criteria for this Competition as set out in part 3.2 below (the “Selection Criteria”),

will be evaluated in accordance with the Award Criteria at part 3.3 below.

However, please note that the Contracting Authority also reserves the right to exclude from evaluation a Tenderer to whom a discretionary ground for exclusion pursuant to Regulation 57 of the Regulations applies.

Tenderers should note that where a Tenderer is relying on the capacity of other entities (for example, Subcontractors) for the purposes of fulfilling any of the Selection Criteria in part 3.2 below it must ensure that each such entity:

- (i) completes and submits a separate eESPD in respect of each such entity, and
- (ii) when requested by the Contracting Authority, submit proof, to the satisfaction of the Contracting Authority, that each such entity will place the necessary resources at the disposal of the Tenderer.

Where a Tenderer (Prime Contractor) intends to subcontract any share of any Contract to a Subcontractor, but is not relying on the capacity of such Subcontractor for the purposes of fulfilling any of the Selection Criteria in part 3.2 below, it must ensure that each such Subcontractor submits a separate eESPD in respect of such Subcontractor completing those sections of the eESPD which are specified in section 2.D of the eESPD for this Competition.

The Contracting Authority may decide to examine Tenders before verifying the absence of exclusion grounds in Regulation 57 of the Regulations (the “Exclusion Grounds”) and the fulfilment of the Selection Criteria.

However, notwithstanding anything to the contrary in this part 3.1, the Contracting Authority reserves the right to ask Tenderers at any moment during the Competition to submit any or all of the following for the purposes of verification of the status of the Tenderer (including the Prime Contractor and any Subcontractor):

- (i) a Declaration in the form attached at Appendix 4;

- (ii) evidence to the effect that measures taken by the entity concerned are sufficient to demonstrate its reliability despite the existence of a relevant Exclusion Ground; and
- (iii) in the case of the Prime Contractor and any Subcontractor on whose capacity the Prime Contractor relies, all or any of the supporting documents specified at paragraph 3.2 below.

If a Tenderer does not, upon request by the Contracting Authority, provide evidence which is considered by the Contracting Authority as sufficient to demonstrate (i) its fulfilment of the Selection Criteria (or any one of them) in accordance with this RFT and (ii) the absence of Exclusion Grounds, or its reliability despite the existence of a relevant Exclusion Ground, it shall be excluded from further participation in this Competition.

If a Tenderer does not, upon request by the Contracting Authority, provide evidence which is considered by the Contracting Authority as sufficient to demonstrate (i) the fulfilment by any Subcontractor on whose capacity the Prime Contractor relies of the Selection Criteria (or any one of them) in accordance with this RFT and (ii) the absence of Exclusion Grounds in respect of any Subcontractor, or the reliability of any Subcontractor despite the existence of a relevant Exclusion Ground, it shall be excluded from further participation in this Competition *unless* it replaces the Subcontractor with one which meets all relevant requirements of this RFT.

3.2 SELECTION CRITERIA

- 3.2 Tenderers will either pass OR fail each of the Selection Criteria in this part 3.2. A Tenderer who fails a selection criterion will be excluded from participating in this Competition.

Table 2 Selection Criteria

No.	Selection Criteria	Pass/Fail	Reference
1.	Economic and Financial Standing	P/F	3.2.A
2.	Technical and Professional Ability	P/F	3.2.B

3.2.A Economic and Financial Standing

Tenderers must declare by way of eESPD that they satisfy the financial and economic standing requirement(s) set out below and that they are able, upon request and without delay, to provide the supporting documentation specified below to the Contracting Authority in each case.

3.2.A(i) Minimum Annual Turnover Requirements

Tenderers must comply in full with the following economic selection criteria:

They must have a minimum turnover in excess of €750,000 (ex VAT) per annum in any one of the last three years **and** €500,000 in three of the previous five years.

(unless the date of establishment is within the last 12 months, in which case the minimum annual turnover required shall be adjusted on a pro rata basis based on the number of months of establishment).

Table 3 Minimum Annual Turnover Requirements

Description	Turnover Requirement
In three (3) of the previous five (5) years.	€500,000
In one (1) of the previous (3) years.	€750,000

Any Tenderer who is unable to make a declaration in respect to the turnover requirements, shall not be eligible for the award of a Service Contract and shall be eliminated from the Competition.

Prior to admission to a Service Contract the successful Tenderer will be required to provide to the Contracting Authority verified evidence from their auditor/accountant to demonstrate that they meet the above required economic and financial standing criteria.

A Tenderer must provide this evidentiary documentation within seven working days of the request for same by the Contracting Authority (or within such longer period as the Contracting Authority may permit). If, within this period (or any extended period permitted by the Contracting Authority), a successful Tenderer fails to produce the required evidentiary documentation demonstrating that it meets the minimum requirements for economic and financial standing specified above, it shall be eliminated from the Competition unless there is a valid reason given for not being able to verified evidence. In such a scenario the Contracting Authority will offer the Contract to the second placed Tenderer.

Tenderers may rely on the financial capacity of other entities for the purposes of meeting any or all of the financial and economic standing requirements stated above.

Tenderers should note that economic operators relying on the capacity of other entities must, when requested by Contracting Authority submit an undertaking in terms satisfactory to the Contracting Authority and duly evidenced, from those entities that they will place the necessary resources at the disposal of the Tenderer.

Tenderers must provide the supporting documentation specified above without delay when requested by the Contracting Authority. However, where the Tenderer is unable, for a valid reason, to provide the specified documentation, the Tenderer must inform the Contracting Authority of the valid reason as to why the documentation cannot be supplied and, if the Contracting Authority considers the reason given to be valid, provide such other suitable alternative documentation to prove, to the satisfaction of the Contracting Authority, their economic and financial capacity.

3.2.B Technical and Professional Ability

Tenderers must declare by way of eESPD that they satisfy the technical and professional requirement(s) set out below and that they are able, upon request and without delay, to provide the supporting documentation specified below to the Contracting Authority in each case.

3.2.B(i) Examples of similar contracts and references

Tenderers must provide in the TRD, one (1) contract performed within the last three (3) years prior to the Tender Deadline under which they delivered a contract of a similar and comparable scale, scope, nature and complexity to those detailed in Appendix 1 within the EU. This a Pass/Fail requirement.

Upon request by the Contracting Authority and without delay, Tenderers may be required to provide additional information in relation to examples of similar contracts and references. Tenderers must ensure that they provide sufficient information to allow the Contracting Authority to judge the similarity of these contracts to the requirements of the Goods Contract (as specified in this RFT). Tenderers must provide the contact names and details of referees who shall be able, if requested, to verify the information provided.

Tenderers must provide the supporting documentation specified above without delay when requested by the Contracting Authority.

3.3.1.1 Qualitative Award Criterion - Award criterion 1 – 3

Each of the qualitative responses to above shall be scored initially out of 5 marks according to the scoring matrix hereunder. The initial raw score out of 5 for each question shall then be multiplied by the relevant weighting specified in 'Table 4 Award Criterion' to generate a final weighted score for that question.

Scoring Matrix Award Criterion 1 - 3

Indicator	Mark
An excellent response that fully meets requirements and provides comprehensive, detailed and convincing assurance that the Tenderer will deliver on the Contracting Authority's requirements to an excellent standard.	5
A good response that demonstrates real understanding of the requirements and assurance that the Tenderer will deliver on the Contracting Authority's requirements to a good standard.	4
A satisfactory response which demonstrates a reasonable understanding of the requirements and gives reasonable assurance of delivery of the Contracting Authority's requirements to an adequate standard but does not provide sufficiently convincing assurance to award a higher mark.	3
An average response where some capabilities to meet the requirements are detailed however reservations exist. Lacks full credibility and/or convincing detail, and there is a significant risk that the delivery of the Contracting Authority's requirements will not be successful.	2
A poor response where limited information was provided and serious reservations exist. This may be because, for example, insufficient detail is provided, and/or the response has fundamental flaws, is seriously inadequate or seriously lacks credibility with a high risk of non-delivery of the Contracting Authority's requirements.	1
No response or response completely fails to address the criterion under consideration.	0

3.3.1.2 Methodology for Awarding Marks for Total Cost

The Tenderer whose total cost is the lowest (see appendix 2) shall be awarded the maximum marks available (3,000 marks) under this award criterion. Other Tenderers' total cost shall be marked relative to the Tenderer offering the lowest total cost, using the following formula:

$$\frac{\text{Maximum marks available (3,000 marks)} \times \text{Lowest Tendered Total Cost}}{\text{Total Cost under evaluation}}$$

3.3.1.3 Overall Scores

Tenderer's scores for Qualitative criteria and Ultimate Cost will be added together to arrive at a total score out of the maximum score (10,000) available.

Tenderers will be ranked from highest to lowest, based on their total scores.

The highest-ranked Tenderer will be the preferred Tenderer.

3.3.1.4 Tie Break Rule

In the event that there are two or more Tenderers obtain the same total marks, the following tie-break rules will be adopted.

The Tenderer who has been awarded the highest marks for the total Qualitative Award Criteria will be deemed to be the most economically advantageous tender ("MEAT").

In the event of the application of this tie-break rule not resulting in the determination of a MEAT, this approach will continue to be applied to each of the award criteria in the descending order listed below until such time as a MEAT can be determined:

Order of Tie Break Evaluation Criteria:

1. Total of the Qualitative Award Criteria (Non-Cost) Criteria
2. Total Criteria 1 – Quality, Relevant Experience and Availability of Instructor Team.
3. Total Criteria 2 – Contract Management
4. Total Criteria 3 – Methodology of Service Delivery
5. Total Cost only

3.3.2 Subject to paragraphs 2.1 (Important Notices) and 3.5 (Standstill Period) of this RFT, award of the Services Contract to the highest ranked Tenderer (as determined by paragraph 3.3.1) will be conditional upon:

- (a) the Tenderer submitting the following evidence in respect of the Tenderer (including the Prime Contractor and any Subcontractors, as applicable in accordance with paragraph 3.1 above) to the extent not already provided, within seven (7) days of request by the Contracting Authority: (i) a Declaration in the form attached at Appendix 4; (ii) if applicable, evidence to the effect that measures taken by the entity concerned are sufficient to demonstrate its reliability despite the existence of a relevant Exclusion Ground; (iii) all or any of the supporting documents specified at paragraph 3.2; and
- (b) the evidence specified at paragraph 3.3.2(a) above demonstrating that each entity concerned meets the Selection Criteria and the compliance requirements specified at paragraph 3.1(b) and (c) above.

3.4 PRESENTATION OF PROPOSALS

Tenderers may be required to make a presentation of the proposal contained in their Tender. The Contracting Authority will not be responsible for the cost of such presentations (in accordance with paragraph 2.8). Performance at presentations will NOT be evaluated.

3.5 STANDSTILL PERIOD

- 3.5.1** In circumstances where the European Communities (Public Authorities' Contracts) (Review Procedures) Regulations 2010 (Statutory Instrument 130 of 2010), as amended by the European Communities (Public Authorities' Contracts) (Review Procedures) (Amendment) Regulations 2015 (Statutory Instrument 192 of 2015) and the European Communities (Public Authorities' Contracts (Review Procedures) (Amendment) Regulation 2017 (Statutory Instrument 327 of 2017) apply, no contract can or will be executed or take effect until at least fourteen (14) calendar days after the day on which the Tenderers have been sent a notice informing them of the result of this Competition ("Standstill Period") if such notice is sent by electronic means. The Standstill Period shall be sixteen (16) calendar days if such notice is sent by other means. The preferred bidder will be notified of the decision of the Contracting Authority and of the expiry date of the Standstill Period.
- 3.5.2** Tenderers should note that the Contracting Authority may, when notifying Tenderers of the results of this Competition, include the scores obtained by the Tenderer concerned and the scores obtained by the preferred bidder in respect of each award criterion assessed by the Contracting Authority.

3.6 RETURN OF SIGNED CONTRACTS

- 3.6.1** The successful Tenderer must sign and return the Services Contract and the Confidentiality Agreement, both in duplicate, to the Contracting Authority no later than thirty (30) calendar days from the date of expiry of the Standstill Period unless notified otherwise in writing by the Contracting Authority. A signed Services Contract returned by the successful Tenderer is not binding on the Contracting Authority until the Contracting Authority has signed the Services Contract in accordance with paragraph 2.1.2 above.
- 3.6.2** Where the signed Services Contract and the Confidentiality Agreement have not been received by the Contracting Authority within the period as specified at paragraph 3.6.1 then the Contracting Authority may proceed to award the Services Contract to the next highest-ranked Tenderer in accordance with paragraph 3.6.1 above.

Appendix 1: Requirements and Specifications

Tenderers must address each of the issues and requirements in this part of the RFT and submit a detailed description in each case which demonstrates how these issues and requirements will be dealt with / met and their approach to the proposed delivery of the Services. A mere affirmative statement by the Tenderer that it can/will do so or a reiteration of the tender requirements is NOT sufficient in this regard.
