Clarification Document No. 1

Please note that we have identified an error in the Pricing Schedule.

An updated "Revised Appendix 2 – Pricing Schedule" has been uploaded.

Changes to the Pricing Schedule were as follows:

- **Lines 21 and 23 were merged** into a single line item, as they related to the same equipment/category and were therefore combined for ease of pricing and evaluation.
- The **image associated with Line 22 was updated** to provide a more accurate representation of the equipment being procured. This change was for illustrative purposes only and did not alter the specification, functionality, or requirements of the item.

All tender documentation has now been updated to reflect this change and reuploaded to the documents section of this CFT.

We sincerely apologise for any inconvenience caused and appreciate your understanding.
