1 About the Contracting Authority

1.1 The Contracting Authority

Bord Bia (hereinafter referred to as the “Contracting Authority”) is the authority responsible for this procurement.

Bord Bia, the Irish Food Board, is the government agency responsible for the promotion of the food, drink, and horticulture industry, bringing Ireland’s outstanding produce to the world, thus enabling the growth and sustainability of our producers.

As a force for insight, reputation building and fostering an entrepreneurial and skills culture in the industry, we contribute to its sustainable growth at home and abroad.

With headquarters in Dublin, Bord Bia has a network of overseas offices in Amsterdam, Dubai, Dusseldorf, Lagos, London, Madrid, Milan, New York, Paris, Shanghai, Singapore, Stockholm, Tokyo, and Warsaw. More detailed information is available at www.bordbia.ie.

1.2 Small and Medium Enterprise participation

It is the policy of the Contracting Authority to promote participation by Small and Medium Enterprises (SMEs) on a fair and equal basis.

SMEs are encouraged to explore the possibilities of forming relationships with other SMEs or with larger enterprises to meet the financial, economic or technical capacity requirements of the competition, if required.

Tenderers may include individuals, partnerships, limited companies, groupings or any combination of the foregoing with or without legal personality. However, a grouping if successful will be required to establish legal personality to enter the contract.

Tenderers are reminded that they may rely on the resources of other entities to establish the requirements on condition that they can prove to the satisfaction of the Contracting Authority that they will have these resources at their disposal when necessary.

If the tender is from a consortium / joint venture, tenderers must ensure that all the relevant information is provided and where necessary, provide the information requested separately for each party. Relevant information relates to where a tenderer is relying on the resources to qualify (e.g. turnover, manpower, previous experience) and or to deliver contracts. The consortium must appoint a single point of contact who will assume overall responsibility for delivery, and who is authorised to sign the contract on behalf of all consortia members. The Contracting Authority will not act as an arbitrator between members of consortia.

2 Specification of Requirements

2.1 Scope of Requirements under the Contract:

Bord Bia requests tenders from suitably experienced and qualified service providers to deliver indoor catering for Bord Bia Bloom 2027+.

Overview and Objectives –.

A detailed specification is available in [Appendix A](#)

2.2 Duration of the Contract

The contract will be for a maximum period of one Bord Bia Bloom Event. The Contracting Authority reserves the right at its sole discretion to extend the contract, subject to satisfactory performance, budget availability and ongoing business needs. The number and duration of extensions will be up to 3 x Bord Bia Bloom Events.

2.3 Estimated Value for the Contract

The estimated annual value of this concession contract is in the region of €450,000 to €500,000 (excluding VAT). Based on the anticipated contract duration, including any extension options, the estimated total value over the potential four-year term of the agreement is €1.8 million to €2 million (excluding VAT).

It is anticipated that opportunities may exist for the successful Tenderer to increase hospitality-related revenue during the term of the contract, which could result in the overall value of the concession exceeding the estimated figures outlined above.

The estimated values provided are based on historical trading figures and are supplied for indicative purposes only. Bord Bia does not guarantee any minimum level of turnover, revenue or business under the contract, and Tenderers should satisfy themselves as to the level of opportunity available when preparing their submissions.

For the avoidance of doubt, this concession applies exclusively to the annual Bloom event held in the Phoenix Park, Dublin.

Any failure to satisfactorily comply with such a request, or to satisfactorily address the Contracting Authority's concerns, may, at the discretion of the Contracting Authority, result in the elimination of the tender in question based on it being considered abnormally low.

Tenderers will be responsible for any costs incurred by them in the event that they are required to attend clarification or other meetings or make a presentation of their proposals.

6.5 Tender Validity Period

To allow sufficient time for tender assessment a tender validity period of [9 months] is required, this period commencing on the closing date by which the Tenders are to be returned.

6.6 Discrepancies between Documents

A PDF version of the Request for Tender has been made available on eTenders. This document will be considered as the primary source document in this procurement process, word versions of documents where they are provided are being made available to assist tenderers in responding to the tender competition. Where there is a discrepancy between a pdf version and a word version, the pdf version will take precedence. Tenderers are requested to notify the Contracting Authority immediately of any anomaly. Where applicable the Contracting Authority will issue amended versions.

6.7 Formatting of Tenders / Amending Tender Documents

Tenderers **must** ensure they use the **Tender Response Document (TRD)** when preparing their submission.

Tenderers are prohibited from amending any text or content of forms or declarations or templates provided as part of this tender competition in their tender responses. Where amendments have been identified, the Contracting Authority may at its discretion eliminate the tenderer from further consideration. Likewise, failure to use the template documentation provided particularly in relation to costing / pricing may result in tenders being eliminated.

6.8 Collusive Tendering

If any tendering party is found to have, at any time, offered to give or to have agreed to offer or give to any person, any bribe, gift, gratuity, commission or consideration of any kind as an inducement or reward for taking or forbearing to take any action in relation to the obtaining of its tenders, or for showing or forbearing to show any favour or disfavour to any person in relation to its tenders, the bid submitted by such tendering party shall be automatically disqualified and the circumstances surrounding such action shall be referred to the appropriate authority.

6.9 Confidentiality

After the official opening of tenders, information relating to the examination, clarification, evaluation and comparison of Tenders and recommendations will not be disclosed to tenderers or other persons not officially concerned with such process until the award decision with the successful tenderer has been announced and in conformity with national laws.

Tenderers shall treat the details of all documents supplied to them in connection with this contract as private and confidential and shall not disclose the contents to a third party without the permission of the Contracting Authority.

Any effort by the tenderer to influence the Contracting Authority or their staff in the process of examination, clarification, evaluation and comparison of tenders and in decisions concerning the award of the contract may result in the rejection of that tender.

6.10 Clarification of Tenders

The Contracting Authority is entitled, but not obliged, to seek clarification of tenders, including pricing breakdowns in the course of the evaluation process. No change in the price or substance of the tender shall be sought, offered, or permitted. To assist in finalising the tender evaluation, selected tenderers may be invited to attend clarification meetings with the Contracting Authority.

6.11 Correction of errors

Detailed pricing of all tenders will be examined for errors that might alter the tender pricing as determined from the figures on the tender form or as between the hard copy and electronic versions of the tender (if applicable). In general, the following approach will be applied to manifest errors - where there is a discrepancy between the unit price and the total amount derived from the multiplication of the unit price and the quantity, the unit price as quoted will normally govern.

The amount stated in the tender form will be adjusted by the Contracting Authority in accordance with the above procedure and, with the agreement of the tenderer, shall be considered as binding upon the tenderer. Without prejudice to the above, a tenderer not accepting the correction of their tender as outlined may have their tender rejected.

Where the Total Quote function has been activated on eTenders and a discrepancy arises between the amount in the Total Quote box and the tender submission, the amount in the tender submission shall take precedence.

6.12 Change in the composition of a Tender

Where a change in composition of a tender arises, this must be notified in writing to the Contracting Authority and formally approved by them.

The Contracting Authority reserves the right, but is not obliged, to disqualify any tenderer that makes any change to its composition after submission of a tender.

The presumptions (including as to any gift, consideration or advantage) and other provisions under the Criminal Justice Act 2018, and all other measures for the time being governing the subject-matter in any applicable jurisdiction, shall be applicable.

6.14 Conflict of Interest

Any conflict of interest involving a tenderer (or tenderers in the event of a consortium bid) must be fully disclosed to the Contracting Authority. Any registrable interest involving the tenderer and the Contracting Authority or employees of the Contracting Authority, or their relatives must be fully disclosed in the tender submission or should be communicated to the Contracting Authority immediately upon such information becoming known to the tenderer, in the event of this information only coming to their notice after the submission of a bid and prior to the award of the contract. Failure to disclose a conflict of interest may disqualify a tenderer or invalidate an award of contract, depending on when the conflict of interest comes to light.

6.15 Publicity

Tenderers shall not undertake (or permit to be undertaken) at any time, whether at this stage or after the award of the contract, any publicity activity with any section of the media in relation to this tender/agreement other than with the prior written consent of the Contracting Authority. The Request for Tender is issued in good faith; however, the Contracting Authority at its sole discretion shall not be obliged to award a contract or proceed to further stages in the procurement process and reserves the right to cancel the procurement process.

6.18 Award Notices

Following the award of contract, an award notice will be dispatched to the Official Journal of the European Union announcing the results of the competition. It should be noted that it is standard practice for the Contracting Authority to include the price of the winning tender or the range of prices of tenders received in the publication of the award notice as required under European procurement rules.
