This Clarification relates specifically to Question 1

Clarification Number:	2
Issue Date:	Friday, 09 October 2026

Question #1:

With reference to the clarifications issued at 17.30 yesterday 8th October, we would like to request a one week extension to the response deadline. We are aware of the tight turnaround however there are a number of items in the clarifications which we need to consider further, in order to accurately include them in our costs. We would appreciate any extension of the response deadline.

Answer #1:

The closing date for submissions has been set having regard to the procurement timetable and the requirement to commence programme development in

sufficient time to facilitate delivery of the Dublin Winter Lights Festival from 11 January 2027.

Having considered the request, DCC is not in a position to extend the submission deadline beyond 15 October 2026. The closing date for submissions therefore remains unchanged.
