

Schools Energy Pathfinder 2025

Biomass Programme - Heating Upgrade Bundle 4 (CMETB)

Tender Clarification Schedule

Ref	Issue Date	Query	Response
1.1	07/10/2026	Site Clarifications	Please refer to the site visit schedule previously issued on 5th October 2026 for all schools within this Bundle. This schedule is also downloadable from the etenders CFT tender documents. The only change to the attached Site Visit Schedule (Rev 1) is the confirmed site visit dates for Balieborough Community School. No other changes have been made. The revised schedule is now downloadable from the etenders CFT tender documents. The schedule shows the dates available for interested tenderers to visit schools during school operating hours. Tenderers do not need to contact schools in advance of their visit on the day, however tenderers must sign in at the school's reception on arrival.
2.1	12/10/2026	Is there an architects spec and drawings available for this tender? In particular an architects spec and RCP is referred to in the pricing document.	Tenderers are to price the relevant items based on the quantities and descriptions provided within the Pricing Document, including the stated suspended ceiling specification and associated requirements. Any references within the Pricing Document to an Architect's Specification, Architect's approval or Reflected Ceiling Plan (RCP) are included in error and should be disregarded for tender purposes. Tenderers are to allow for all materials, components, accessories, fixings and workmanship necessary to complete the works as described within the Works Requirements and Pricing Document.
