Part 1: Introduction

1.1 The Minister for Foreign Affairs and Trade (the “Contracting Authority”) invites tenders (“Tenders”) to this request for tenders (“RFT”) from economic operators (“Tenderers”) for the supply and delivery of the goods as described in Appendix 1 to this RFT (the “Goods”).

1.2 In summary, the Goods comprise:

1,200 multi-factor authentication (MFA) security keys for front facing systems

1.3 **Not used.**

1.4 This public procurement competition (the “Competition”) will be conducted as a national open tender procedure in accordance with applicable public procurement requirements. The Contracting Authority is satisfied that the period provides interested economic operators with sufficient time to prepare and submit a tender.

Having regard to the nature of the requirement, the availability of the products in the market and the information required from tenderers, the Contracting Authority considers this period sufficient and proportionate.

The Contracting Authority is invoking the accelerated open procedure due to an urgent operational requirement to secure front-facing IT systems. Any contract that may result from this Competition (the “Goods Contract”) will commence on the date of execution by both parties and will remain in effect until the goods have been delivered and all contractual obligations have been fulfilled, unless terminated earlier in accordance with its terms.

1.5 **Not Used**

1.6 The Contracting Authority estimates that the expenditure on the Goods to be covered by the proposed Goods Contract may amount to some €96,000 (excl. VAT) over the Term.

1.7 Contracting Authority policy seeks to encourage participation on a fair and equal basis by Small and Medium Enterprises (“SME”s) in this Competition. SMEs that believe the scope of this Competition is beyond their technical or business capacity are encouraged, subject to paragraph 2.5, to explore the possibilities of forming relationships with other SMEs or with larger enterprises. Through such relationships they can participate and contribute to the successful implementation of any Goods Contract that may result from this Competition and therefore increase their social and economic benefits.

Larger enterprises are also encouraged, subject to paragraph 2.5, to consider the practical ways that SMEs can be included in their proposals to maximise the social and economic benefits of any Goods Contract that may result from this Competition.

Part 2: Instructions to Tenderers

2.1 IMPORTANT NOTICES

- 2.1.1** While every effort has been made to provide comprehensive and accurate information in all notices and documents prepared for the purposes of this Competition, the Contracting Authority does not accept any liability or provide any express or implied warranty in respect of any such information. Tenderers must form their own conclusions about the solution needed to meet the requirements set out in this RFT and may wish to consult their legal advisers.
- 2.1.2** The Contracting Authority does not bind itself to accept the lowest priced or any Tender. This RFT does not constitute an offer or commitment to enter into a Goods Contract. No contractual rights in relation to the Contracting Authority will exist unless and until a formal written Goods Contract has been executed by or on behalf of the Contracting Authority. Any notification of preferred bidder status by the Contracting Authority shall not give rise to any enforceable rights by the Tenderer. The award of a Goods Contract does not confer exclusivity on the successful Tenderer. The Contracting Authority may cancel this Competition at any time prior to a formal written Goods Contract being executed by or on behalf of the Contracting Authority.
- 2.1.3** This RFT supersedes and replaces any and all previous documentation, communications and correspondence between the Contracting Authority and Tenderers, and Tenderers should place no reliance on such previous documentation and correspondence.
- 2.1.4** In this clause 2.1.4, “Data Protection Laws” means all applicable national and EU data protection laws, regulations and guidelines including but not limited to Regulation (EU) 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (the “General Data Protection Regulation”), and any guidelines and codes of practice issued by the Office of the Data Protection Commission or other supervisory authority for data protection in Ireland from time to time. The Contracting Authority will be a Data Controller (where Data Controller has the meaning given under the Data Protection Laws) in respect of any Personal Data (where Personal Data has the meaning given under the Data Protection Laws) required to be provided by the Tenderer in response to this RFT. The Tenderer, as Data Controller in respect of any Personal Data provided by it in its Tender, is required to confirm in the statement required under paragraph 2.4 below that all Data Subjects (where Data Subject has the meaning given under the Data Protection Laws) whose Personal Data is provided by the Tenderer have consented to the processing of such Personal Data by the Tenderer, the Contracting Authority, the Evaluation Team and the supplier of the etenders.gov.ie website, for the purposes of the participation of the Tenderer in this Competition or that the Tenderer otherwise has a legal basis for providing such Personal Data to the Contracting Authority for the purposes of its participation in this Competition .

- 2.1.5** The Contracting Authority would refer Tenderers in particular to the provisions of Regulation (EU) 2022/1031 on the access of third country economic operators, goods and services to the Union's public procurement and concession markets and procedures supporting negotiations on access of Union economic operators, goods and services to the public procurement and concession markets of third countries (International Procurement Instrument – IPI), and to their obligations to comply therewith.

In particular, tenderers and candidates should note Article 6 of the Regulation (EU) 2022/1031, the obligations for a Contracting Authority in the context of a procurement procedure where the EU Commission has adopted an IPI measure.

2.2 COMPLIANT TENDERS

- 2.2.1** If a Tenderer fails to comply in any respect with the requirements of this paragraph 2.2.1, the Contracting Authority reserves the right to reject the Tenderer's Tender as non-compliant or, without prejudice to this right and subject to its obligations at law, to take any other action it considers appropriate including but not limited to:

- seeking written clarification from the Tenderer;

- 2.3.1** Tenderers should note the terms and conditions of the Goods Contract at Appendix 5 to this RFT.
- 2.3.2** Tenderers are required to confirm their acceptance of the terms and conditions of the Goods Contract by signing the Tenderer's Statement at Appendix 3. Tenderers may not amend the Goods Contract.
