

REFURBISHMENT OF GALLOWGLASS COMMUNITY CENTRE, MILFORD
MECHANICAL SERVICES INSTALLATION
ANALYSIS OF TENDER

The Tenderers shall enter below the Lump Sum Prices each inclusive of Profits, Overheads and Main Contractor's Discount for which they are prepared to carry out the various sections of work as detailed in the Specification and drawings. Costs should be exclusive of VAT.

Tenderers are reminded that each and every section of the Analysis of Tender must be completed individually including all sub sections in the spaces provided. Failure to do so will constitute a non valid tender. No exceptions to this will be accepted under any circumstances. Where necessary, the tenderer shall obtain the appropriate cost breakdowns from the specialist sub contractor eg., air source heat pumps, ventilation etc.
