New Visitor Centre facilities for Dublin Castle & refurbishment and alteration of existing ground floor

Dear applicant,

You are invited to submit a Suitability Assessment Questionnaire QW1 (SAQ) for the above-mentioned proposed works. The works comprise of the refurbishment and alteration of the existing ground floor of the existing Visitor Centre reception area at Dublin Castle.

You should prepare and submit a fully completed SAQ QW1 application in accordance with and meeting all requirements set out in the SAQ QW1 documentation.

This is a two stage procurement process, the SAQ (Stage 1), being used to invite interested parties who wish to be considered for placement on the shortlist for invitation to tender for this proposed project.

The SAQ is to be returned via e-tenders on day, 14 December 2026, 12:00pm.
All queries relating to the SAQ to be submitted by 4 December 2026, 12:00pm.

Applicants are referred to the provisions of the Freedom of Information Act, 2014 (No. 30 of 2014). The Office of Public Works undertakes to use its best endeavors to hold confidential any information provided by you subject to the Office's obligations under law, including the above Act. Should you wish that any information supplied by you should not be disclosed because of its sensitivity, you should, when providing the information with your tender, identify the information and specify the reasons for its sensitivity. The Office of Public Works will consult with you about this sensitive information prior to making a decision on any Freedom of Information Request received. If no information is identified as sensitive, with supporting reasons, it may be released in response to a Freedom of Information request

Yours sincerely,

Laura Byrne
