FIRST SCHEDULE

Having regard to the policies and provisions of the Mayo County Development Plan 2022-2028, the proposed development would be in keeping with the proper planning and sustainable development of the area.

SECOND SCHEDULE – SCHEDULE OF CONDITIONS – P26/60584

1. The development shall be carried out in accordance with the plans and particulars lodged with the application as received by Mayo County Council on 21/07/2026, except as may otherwise be required in order to comply with the following conditions. recommendations.
   Reason: In the interest of clarity.

2. During construction no surface water shall be discharged directly from the site. All surface water run-off during the construction phase shall be managed to prevent contamination of any groundwater or any surface water drain/watercourse, with nature based solutions incorporated where possible.
   Reason: In the interests of environmental protection.
