Tender and Schedule [40%]

Question 1

The tender must be signed by the tenderer (see pages 3-6 of 'Volume B - Tender & Schedule'). Unsigned tenders will be considered invalid.

Please include your signed tender in your submission. Note that the tendered amount on Page 3 of Volume B must also be completed and must equal the grand sum of all the BoQ documents.

Question 2

As per Page 14, 'Tender and Schedule' Part 1G, the date for substantial completion of the Works is 10 weeks after the contract award date. Please confirm in your submission that your proposed Tender has the resources needed to satisfy this time requirement.

Please note the answer provided here is a Pass/Fail requirement.

Question 3

Part 2, Section D (Pages 20 and 21) of 'Volume B, Tender and Schedule' must be completed by the tenderer to allow for the comparative cost of tender to be evaluated (see Appendix 4 of 'Instructions to Tenderers'). Tenders submitted with this section uncompleted will be considered invalid. In your submission, please ensure the following is included:

- Contractor's tendered percentage addition to costs of labour
- Contractor's tendered percentage addition to costs of materials
- Contractor's tendered percentage addition/deduction for costs of plant
- Contractor's tendered rate of delay costs
