2.1.2 The Contracting Authority / Framework Client does not bind itself to accept the lowest priced or any Tender.

This RFT does not constitute an offer or commitment to enter into a Framework Agreement and/or a Goods Contract. The conclusion of a Framework Agreement with a Framework Member does not guarantee the award of any Goods Contract.

No contractual rights in relation to any Framework Client will exist unless and until a formal written Goods Contract has been executed by or on behalf of the Framework Client.

Any notification of preferred bidder status by the Contracting Authority / Framework Client shall not give rise to any enforceable rights by the Tenderer.

The Contracting Authority may cancel this Competition at any time prior to a formal written Framework Agreement being executed by or on behalf of the Contracting Authority.

The award of a Framework Agreement or a Client Contract under the Framework Agreement does not confer exclusivity on the successful Tenderer(s).

No commitment of any kind, contractual or otherwise shall exist unless and until a formal written contract has been executed by or on behalf of the Contracting Authority. Any award of notification of preferred bidder status by the Contracting Authority shall not give rise to any enforceable rights by the Tenderer. The Contracting Authority may cancel this public procurement competition at any time prior to a formal written contract being executed by or on behalf of the Contracting Authority. The Contracting Authority does not bind itself to accept the lowest priced or any tender.

Supplier Notes:

- This specification document is designed to assist the contracting authority in its evaluation of your tender and to enable suppliers provide structured responses to key deliverables. It is structured to reflect the award criteria as set out in the RFT.
- Please note responses to individual questions will NOT be scored separately but collectively they will provide a basis for assessing the merits of the tenderer's overall response to each award criterion and sub-criterion.

- Where specifications include reference to manufacturer or brand names this is a result of difficulties in specifying the product required. In these instances the phrase "or equivalent" is inferred.
- It is acknowledged that each Tender's product line may differ from these specifications. As such, each seller is free to propose variances from these specifications. Alternative proposals favourable to the Contracting Authority may be suggested. It is required, however, that, whenever a variance from these specifications occurs, the proposed item must meet or ***exceed*** the specified characteristics or level of performance.
- Where abnormally low tenders are received the Evaluation team shall require the tenderer to explain the price proposed in Appendix 2. (Per Article 69 of the EU Procurement Directives 2014/24). Where the tenderer cannot provide a sufficient explanation, the contracting authority is entitled to reject the tender.
- The award of any contract is subject to the successful tenderer meeting the required specification and standards as set out in this RFT and Appendix 1. Should the required specification and standards not be met, the EPS reserves the right, in consultation with the Contracting Authority, to award any contract to the next highest-ranked Tenderer.
- If the evaluation outcome results in a tie between two or more Tenders, then the Tender with the highest score for the highest weighted criterion shall be deemed the most economically advantageous tender. If the score remains in a tie, the remaining criterion will be assessed by the highest weighted until there is no longer a tie. If the score remains a tie after all criterions are assessed, the tenderers will be asked to submit a Best and Final Offer (BAFO).

A failure to answer question(s) may leave the contracting authority with insufficient information on which to base a thorough evaluation and in turn may result in loss of marks in respect of the relevant Award Criterion. Therefore, please ensure you complete ALL sections of this questionnaire.

The award of contract will be on the basis of **the Most Economically Advantageous Tender** received, in accordance with the detailed award criteria and weightings set out above.

Ultimate Cost will be calculated as follows:

The lowest Ultimate Cost tender will receive the maximum score achievable under this criterion.

$$\text{Pricing Score} = \frac{\text{Lowest Tendered Price x Max Points}}{\text{Price of bid being evaluated}}$$

Tenderers must use "Appendix 1: Requirements and Specifications" to structure their response on how they meet the requirements.

Responses for Non-cost/qualitative Award Criteria items will be scored using the following matrix:

Scoring Methodology		
Band	**Scoring Range**	**Meaning**
Excellent	91% – 100%	Excellent response that fully meets and exceeds requirements, providing comprehensive, detailed, and convincing assurance that the Tenderer will deliver to an exceptional standard.
Very Good	80% – 90%	A very good response that demonstrates real understanding and fully meets the requirements and provides convincing assurance that the Tenderer will deliver to high standard.
Good	60% – 79%	A satisfactory response which demonstrates a reasonable understanding of requirements and provides reasonable confidence that the minimum requirements will be delivered. However, it does not provide sufficiently convincing assurance to award a higher mark.
Fair	30% - 59%	A response where reservations exist due to a lack of convincing details and comprehensive credibility. There is a significant risk that the requirements will not be delivered to a satisfactory standard.
Poor	1% – 29%	A response that raises significant reservations, due to insufficient detail, critical or notable deficiencies, that seriously lacks credibility, presenting a high risk of non-delivery.
0	0%	No Response or partial Response that completely fails to address the criterion under consideration

The scoring of the Qualitative Award Criteria including all sub-criteria will be based on an assessment of the information provided by Tenderers, which **MUST** be supplied by Tenderers via the completed Tender Response Document. The Evaluation Group will assess the information provided and each response element will be awarded marks using the scoring methodology set out above.

3.3.2 Subject to paragraphs 2.1 (Important Notices) and 3.5 (Standstill Period) of this RFT, appointment to the framework of the highest ranked Tenderer(s) (as determined by paragraph 3.3.1) will be conditional upon:

(a) the Tenderer submitting the following evidence in respect of the Tenderer (including the Prime Contractor and any Subcontractors, as applicable in accordance with paragraph 3.1 above) to the extent not already provided, within seven (7) days of request by the Contracting Authority: (i) a Declaration in the form attached at Appendix 4; (ii) if applicable, evidence to the effect that measures taken by the entity concerned are sufficient to demonstrate its reliability despite the existence

of a relevant Exclusion Ground; (iii) all or any of the supporting documents specified at paragraph 3.2; and

(b) the evidence specified at paragraph 3.3.2(a) above demonstrating that each entity concerned meets the Selection Criteria and the compliance requirements specified at paragraph 3.1(b) and (c) above.

3.3.3 Tenderers should take note that, where a Goods Contract is awarded by way of Mini-Competition, the Contracting Authority will require the Framework Member to whom it has decided to award the Goods Contract to supply up-to-date evidence as set out in paragraph 3.3.2(a) above. Where the Framework Member cannot provide up-to-date evidence to demonstrate that each entity concerned meets the Selection Criteria and the compliance requirements specified at paragraph 3.1(b) and (c) above, then the Contracting Authority may proceed to offer the Goods Contract to the next highest-ranked Tenderer.

3.4 PRESENTATION OF PROPOSALS

Tenderers may be required to make a presentation of the proposal contained in their Tender. The Contracting Authority will not be responsible for the cost of such presentations (in accordance with paragraph 2.8). Performance at presentations will NOT be evaluated. Tenderers will be advised in due course if required to attend.

3.5 STANDSTILL PERIOD

3.5.1 In circumstances where the European Communities (Public Authorities' Contracts) (Review Procedures) Regulations 2010 (Statutory Instrument 130 of 2010), as amended by the European Communities (Public Authorities' Contracts) (Review Procedures) (Amendment) Regulations 2015 (Statutory Instrument 192 of 2015) apply, no contract can or will be executed or take effect until at least fourteen (14) calendar days after the day on which the Tenderers have been sent a notice informing them of the result of this Competition ("Standstill Period") if such notice is sent by electronic means. The Standstill Period shall be fourteen (14) calendar days if such notice is sent by other means. The preferred bidder will be notified of the decision of the Contracting Authority and of the expiry date of the Standstill Period. The Standstill period for this competition is fourteen (14) days.

3.5.2 Tenderers should note that the Contracting Authority may, when notifying Tenderers of the results of this Competition, include the scores obtained by the Tenderer concerned and the scores obtained by the lowest ranking preferred bidder in respect of each award criterion assessed by the Contracting Authority.

3.6 RETURN OF SIGNED FRAMEWORK AGREEMENT(S)

3.6.1 The successful Tenderer(s) must sign and return the Framework Agreement(s) in duplicate to the Contracting Authority no later than fourteen (14) calendar days from the date of expiry of the Standstill Period unless notified otherwise in writing by the Contracting Authority. A signed Framework Agreement returned by the successful Tenderer(s) is not binding on the Contracting Authority until the Contracting Authority has signed the Framework Agreement in accordance with paragraph 2.1.2 above.

3.6.2 Where the signed Framework Agreement has not been received by the Contracting Authority within the period as specified at paragraph 3.6.1 then the Contracting Authority may proceed to offer a Framework Agreement to the next highest-ranked Tenderer in accordance with paragraph 3.6.1 above.

Appendix 1: Specification Required & Supplier Response
