2 Procedure

2.1 Procedure

Title: Establishment of a Multi Party Framework Agreement for the provision of climate adaptation technical support services to the EPA.

Description: The EPA proposes to establish a multi-party Framework Agreement for technical support services to support the delivery of the work Programme for climate adaptation and climate services in the EPA. This could include, for example, supporting EU and UN reporting, preparation of adaptation plan and action plan guidelines, development of adaptation case studies, awareness raising and capacity building, facilitating adaptation seminars and coordination of climate services implementation. This work will support the Agency's strategic objective to use our knowledge to drive climate action and the transition to climate neutrality.
