## 2.1 Procedure

*Title:* The Establishment of a Multi-Supplier Framework Agreement for the Delivery of Medium to Large Scale Audio-Visual Equipment Installation Projects to TUS

*Description:* TUS is seeking to establish a Multi-Supplier Framework Agreement for the Provision of medium to large scale Audio-Visual Equipment installation projects to TUS. This framework will be used for projects of a value greater or equal to €150,000.00 and these projects will include supply, installation and commissioning of Audio-Visual equipment.

*Procedure identifier:* a2184b3b-c636-486f-8697-cdb8a9c7b611

*Type of procedure:* Open

*The procedure is accelerated:* Yes

*Justification for the accelerated procedure:* As part of a public private partnership (PPP) contract, construction of a new Science & Technology building on the TUS Midlands Campus is currently at an advanced stage. Due to budgetary constraints the specification for the associated AV installation which was provided to TUS by the appointed consultant requires significant revision and this has caused an unavoidable and unforeseen delay. In order to continue to meet the requirements of the programme schedule an AV supplier must be contracted by April 2024. For that reason TUS is now accelerating the procurement process by reducing the publish time from 30 to 21 days.
