### 2.1 Procedure

*Title:* Dublin City Council SINGLE PARTY FRAMEWORK AGREEMENT FOR THE PROVISION OF SERVICES FOR TRAFFIC COUNTS

*Description:* Dublin City Council invites competent tenderers to tender for Single Party Framework Agreement, for the Provision of Services for Traffic Counts. Dublin City Council is using open procedure for the award of this Framework Agreement. Therefore, while all interested parties may submit a tender, only those demonstrating that they have the required level of financial, technical capacity and experience in carrying out the required detailed traffic counts, will have their tender considered. The Framework Agreement will be in place for 4 years from the date of signing the agreement. One tenderer will be admitted to the Framework Agreement. The tender is for carrying out annual traffic counts including the main annual traffic counts which are the Cordon Counts and the Quays Counts. Other counts may be needed during the course of the Framework Agreement. For the year 2023, there were 36 survey locations for the Cordon Counts which are carried out in the month of November and 61 survey locations for the Quays Counts which are carried out in the month of May. Dublin City Council is unable to state the total quantity of surveys that will be required under this Framework Agreement; however, Dublin City Council can give approximate annual expenditure of 300,000 Euros. The successful tenderer will be responsible for the design, implementation and monitoring of any traffic management necessary for the execution of the surveys. The survey data must be presented as stated in Section 3, Specification of Service Requirements. Please refer to the attached documents for details
