Activity of the contracting authority: General public services

2 Procedure

2.1 Procedure

Title: Multi-Party Framework for the provision of a Technology Transfer and Commercialisation related advisory and consultancy services for Teagasc

Description: The objective of this Call for Tender is to establish Multi-Party Framework for the provision of a Technology Transfer and Commercialisation related advisory and consultancy services for Teagasc. This tender will be contract managed by the Engage@Teagasc Office. The Engage@Teagasc Office is responsible for the translation of scientific and technological research from academia to industry, including supporting engagement with industry, management and exploitation of novel intellectual property, research impact and entrepreneurial training and the creation of spin-out companies. Supporting entrepreneurship and spin-out creation allows for commercialisation of novel technologies that may not have a natural fit with existing companies. Exploring this route requires expertise in the areas of identification and validation of markets, customer discovery, mapping a route to market or investment and development of business plan to maximise success. Please see attached documents for further information,
