

Ireland: Works for complete or part construction and civil engineering work 7774 Qualification System for Civil Engineering Works for €1m to €5m - Lot 2 (Design and Build Requirements)

Notice on the existence of a qualification system

1 Buyer

1.1 Buyer

Official name: Iarnród Éireann-Irish Rail

Legal type of the buyer: Public undertaking

Activity of the contracting entity: Railway services

2 Procedure

2.1 Procedure

Title: 7774 Qualification System for Civil Engineering Works for €1m to €5m - Lot 2 (Design and Build Requirements)

Description: Iarnród Éireann (IE) currently have a multi-party Qualification System (QS) for Civil Engineering Works associated with the upgrading of the railway infrastructure or Rosslare Europort and other related works that Iarnród Éireann may undertake directly or on behalf of Bus Éireann, Dublin Bus or CIE on their properties. This Qualification System currently has one lot: Lot 1 – Civil Works €1m to €5m. This Qualification System is currently available here: <https://www.etenders.gov.ie/epps/dps/prepareViewCfTDPWS.do?resourceId=1792119>. IE intend to establish 1 additional lot under the above Qualification System (QS) relating to Design and Build (D and B) requirements. It is intended that these requirements may be used to undertake various works in conjunction with large capital projects, such as DART+, Cork Area Commuter Rail (CACR), East Coast Railway Infrastructure Protection Projects (ECRIPP), etc. The extent and details of these works will vary from location to location. All project works shall be tendered to those companies, depending on the selected lot, approved for inclusion on this Qualification System under the chosen lot. Companies can apply for inclusion at any stage of the Qualification System's duration. The lot available for application is as follows: Lot 2: Design and Build Requirements for Civil Engineering Works (€1m to €5m). Additional requirements relating to Design and Build (D and B) will fall under the following scope: Ancillary civils design to for all civils related works and minor building works as required, Ancillary civils design to support utility diversions (if required by utility owners), Ancillary civils design for construction compounds, Highways design for compound accesses, Highways and geotechnical design, Ancillary civils design for site clearance works and compound establishment, Ancillary civils design for construction fibre backbone containment, Signaling and Telecom design for construction fibre backbone, Structural design for Road Bridge Reconstruction.

Procedure identifier: 66fa6c39-5454-4c2d-b3f2-c80218364eed

2.1.1 Purpose

Main nature of the contract: Works

Main classification (cpv): 45200000 Works for complete or part construction and civil engineering work

Additional classification (cpv): 45234115 Railway signalling works

Additional classification (cpv): 45255120 Platforms facilities construction work

Additional classification (cpv): 45262410 Structural steel erection work for buildings

Additional classification (cpv): 45262690 Refurbishment of run-down buildings

Additional classification (cpv): 45300000 Building installation work

Additional classification (cpv): 71322000 Engineering design services for the construction of civil engineering works

Additional classification (cpv): 71311000 Civil engineering consultancy services

Additional classification (cpv): 71311100 Civil engineering support services

Additional classification (cpv): 71311230 Railway engineering services
Additional classification (cpv): 71311300 Infrastructure works consultancy services
Additional classification (cpv): 45210000 Building construction work
Additional classification (cpv): 71318000 Advisory and consultative engineering services
Additional classification (cpv): 71320000 Engineering design services
Additional classification (cpv): 45213200 Construction work for warehouses and industrial buildings
Additional classification (cpv): 45213250 Construction work for industrial buildings
Additional classification (cpv): 45213320 Construction work for buildings relating to railway transport
Additional classification (cpv): 45213321 Railway station construction work
Additional classification (cpv): 45213340 Construction work for buildings relating to water transport
Additional classification (cpv): 45221122 Railway viaduct construction work
Additional classification (cpv): 45234100 Railway construction works
Additional classification (cpv): 45234114 Railway embankment construction work
