2.1 Procedure

Title: Request for Tenders for the Provision of Research Services to research the workforce impact of Ireland meeting its 2050 climate targets and the production of an associated written research report

Description: The research is expected to present 2050 scenarios based on existing 2050 emission targets and commitments, current industrial policy, climate change forecasts and wider relevant information for the purposes of this research, to provide an evidence base for the Just Transition Commission. A research paper will be the main output of this contract. The Commission will build on the findings of the research paper and the established scenarios to 2050 workforce transitions and will articulate actionable and effective recommendations to Government on that basis.
