Title: Establishment of a Single-Party Framework Agreement for the Provision of Cyber Security Services

Description: The Medical Council seeks to appoint an external supplier for a range of cyber security services to aid the enhancement of the organisation's cyber strategy. The overall goal is to improve cyber resilience by increasing visibility, managing risk effectively and having an effective incident response capability by ensuring the organisation has access to additional skills and expertise to drawdown on when required. The Medical Council is therefore engaging in a competitive process for the establishment of a Single-Party Framework Agreement for the Provision of Cyber Security Services.
