Title: Request for Tenders to establish a Single Supplier Framework Contract for the Provision of Professional ICT Services for Cloud and Hybrid Cloud Resources

Description: The purpose of this tender competition is to establish a Single Party Framework Agreement for the provision of professional ICT Service for Cloud and Hybrid Resources. Once established, it is intended that the Framework Agreement will eliminate duplication of effort in the procurement of external ICT resources when required. It will also facilitate a decrease in procurement timelines over the term of the Framework Agreement. It will also provide an efficient procurement mechanism for an anticipated increase in the requirement for Cloud and Hybrid resources over the next three to four years.
