Title: LA3498C - Request for Tenders for the Supply of a Dumas Protein and Nitrogen Analyser for Maynooth University (MU)

Description: Maynooth University invites tenders for the supply, delivery, installation, commissioning, and training associated with the provision of a Dumas Protein and Nitrogen Analyser. This instrument is required to support advanced research and teaching activities within the Department of Sport and Nutrition, as well as broader university initiatives in food science, agriculture, and environmental studies. The analyser must be a high-throughput nitrogen analyser employing the Dumas combustion method, providing direct and accurate quantification of protein and nitrogen content across a wide range of sample types, including food, fungal, plant, and environmental materials. The system should deliver consistent, reproducible results with minimal operator intervention, enabling efficient analysis in both research and applied contexts.
