2.1 Procedure

Title: CFT 3895 - Single Party Framework Agreement for the provision of Road Safety Audits for South Dublin County Council

Description: SDCC is planning to develop improved segregated cycling infrastructure in its administrative area over the next number of years. This work is to be implemented rapidly, where possible, with in-house and external consultants to create a safe and usable road environment for all users. Many of the projects require a road safety and quality auditor to review, consult, and report on the road safety and quality of the preliminary, design development, and post-construction. This tender is based on three notional jobs, each within the scales outlined below, for pricing only.
