2.1 Procedure

Title: SLHK – Patient Textile Services

Description: Provision of Patient Textile Services to St Luke's Hospital, Kilkenny, including the collection, laundering, and delivery of healthcare linen and related textiles in compliance with infection prevention and control standards. The contract will operate as a six-month interim arrangement under the Light Touch Regime.

Procedure identifier: 469d06ba-5840-4675-968c-6667a2459a6b

Type of procedure: Open

The procedure is accelerated: yes

Justification for the accelerated procedure: The accelerated procedure is justified due to the urgent need to maintain uninterrupted patient textile services in an acute hospital environment. Any service gap would pose risks to infection control and patient safety. As the estimated contract value is below the relevant EU threshold, the accelerated timetable is proportionate and appropriate to secure a six-month interim arrangement while a full procurement is progressed.
