Title: Provision of Corporate Governance Software in four Lots for the Medical Council

Description: The Medical Council are initiating a procurement process to develop a framework for all aspects of a Corporate Governance platform including the following four (4) modules: 1) Corporate Governance (including meeting management) 2) Risk Management 3) Business Planning 4) Internal Audit Full list of requirements are outlined in the procurement documents.

Procedure identifier: c9cb6410-883e-418c-8252-120d02a26494

Type of procedure: Negotiated with prior publication of a call for competition / competitive with negotiation

The procedure is accelerated: no

Main features of the procedure: The procedure involves a number of stages: • Qualification Phase (this Phase) The Qualification Phase (this phase) will be used to short-list the number of potential Candidates, depending on the quality of the responses received in response to this questionnaire. It is anticipated that a minimum of Candidates will be invited to tender. • Tender Stage Those invited to tender, will be issued with a minimum based specification, award criteria and pricing documents and invited to submit tenders. The Contracting Authority will evaluate those tenders against the award criteria and reserves the right to: (a) Move straight to a contract award decision, without negotiation (b) To invite all firms to negotiation meetings. (c) To apply the successive reduction rule to reduce the number of firms invited to the negotiation phase – the selection of firms may be based on scenarios where firms have failed to qualify under one or more of the award criteria and/or situations where there is a clear score differential following evaluation of the initial tenders. • The Negotiation Stage Tenderers may be invited at the discretion of the Contracting Authority to attend a negotiation meeting at which all aspects of the tender submitted may be discussed, including costs. These tenderers will be accorded an opportunity to submit a revised tender (Best and Final Offer (BAFO)) and again the Contracting Authority reserves the right to continue as set out in the 'Tender Stage' above. Those invited to negotiation will be provided with clear guidance on the structure / content to be discussed at the negotiation meetings. The final tenders received will be evaluated on the basis of the same award criteria. However no further negotiation will take place, but the Contracting Authority reserves the right to engage in clarifications on minor aspects. • It should be noted that the Contracting Authority reserves the right to award the framework/contract directly following receipt of tenders at any stage without recourse to negotiations with individual tenderers. • The Contracting Authority reserves the right to employ a negotiation stage for the award of any additional contracts under the framework agreement.
