2 Procedure

2.1 Procedure

Title: RFT for Design and Delivery of an AI Workforce Development Programme

Description: Digital transformation and the adoption of AI technologies are now central to organisational competitiveness, productivity and resilience across all sectors. While many organisations are investing in digital technologies they are also committed to building structured and sustainable AI capability across its workforce. To support our member companies Technology Ireland Digital Skillnet now seek to appoint a suitably qualified provider to design and deliver an AI Workforce Development Programme. The objective of the programme is to move participants from occasional, ad-hoc AI use to embedded daily practice — with documented, role-specific AI workflows they own and build upon. The programme will incorporate certification via Anthropic Academy as a standard learning milestone for all participants.
