5.1.15 Techniques

Framework agreement:

Framework agreement, partly without reopening and partly with reopening of competition

Maximum number of participants: 2

Justification for the duration of the framework agreement: • The embedded and strategic nature of the Contracting Authority's solution and associated services amounts to a significant investment from a resource and technology perspective. To award a framework for a shorter period would cause significant disruption to the workings of the Contracting Authority and the delivery of services. • The financial cost for the Contracting Authority in procuring the supply and services will amount to a significant investment and this investment could not be optimised and the necessary return achieved if the services were required for a shorter period and would ultimately not deliver value for money on behalf of the taxpayer
