Title: 9901 - Customs Clearance Services for Irish Rail with optional CBAM and EUDR related reporting services

Description: Irish Rail (Navigator Freight Agency) is seeking to appoint a single experienced customs brokerage partner with an AEO certificate to provide comprehensive customs clearance and compliance services supporting its international supply chain. The service will primarily cover imports and exports related to rolling stock components, engines, signalling equipment, track infrastructure, and other rail-related materials moving between Ireland, the UK, Northern Ireland, Europe, and global suppliers. The successful provider will be responsible for managing the full customs clearance process, including the preparation and submission of import and export declarations, ENS and PBN filings, supplementary declarations, and the administration of customs special procedures such as Inward Processing (IP) and Outward Processing (OP). The provider will also act as Irish Rail's representative when engaging with Revenue and other customs authorities in relation to audits, inspections, queries, and compliance matters.
