Title: LA3907C - UCD - RFT for the Supply, Delivery, Installation, and Commissioning of a Stand-alone Automatic Slide Staining and Glass Cover Slipper for University College Dublin (UCD)

Description: University College Dublin (UCD) invites tenders for the supply, delivery, installation, commissioning and support of an automated histology slide staining and coverslipping system for use within a high-throughput research laboratory. The system shall automate the complete workflow from slide staining through drying to glass coverslipping without operator intervention or manual handling between process stages. The proposed system shall produce consistently high-quality stained microscope slides suitable for routine histological analysis, whole-slide digital imaging and AI-assisted image analysis. Tenderers shall complete all sections of this specification within the response document and clearly indicate compliance with each requirement.
