Title: Framework Agreement for Traffic and Transport Survey Resources for transport related projects funded by the National Transport Authority

Description: The objective of this competition is to establish a framework of suitable qualified service providers who will be available, upon request, to tender for certain transport related traffic surveys and vehicle occupancy services. The Authority also intends to award an initial contract for the Provision of Traffic Surveys and Vehicle Occupancy Surveys on the M50 Cordon in the form set out in Appendix 9 the M50 Cordon Scope of Services tender document. Any contracts for individual projects/requirements on foot of the Framework Agreement.Call Off Contracts shall be on the basis of the form of Call-Off Contract in the tender documents and shall be between the Authority or a Client, and the framework participant who has been selected for the Call-Off Contract in accordance with the Framework Rules. Applicants are directed to the call-off rules contained in the Framework Agreement tender document for further information in this regard. The list of service elements forming the services are indicative only, are not exhaustive and are subject to change. Following consideration of submissions, the Authority may at its discretion enter into Framework Agreements with a maximum of five (5) Tenderers, subject to that number meeting the minimum criteria and submitting the most economically advantageous Tenders. The expected term of the Framework Agreement will be a period of four (4) years. The total value of purchases pursuant to the Framework Agreement may be up to a maximum of €2,800,000 (exclusive of VAT) over the duration of the Framework Agreement. These figures are provided for indicative purposes only and there is no guaranteed expenditure under the Framework Agreement. The estimated spend of the M50 Cordon Contract is €82,500 (exclusive of VAT).
