### 2.1 Procedure

*Title:* Containerised Communications Solutions

*Description:* The Defence Forces have a requirement to procure a quantity of Containerised Communications solutions over the next 5 years. The purpose of these containers is to provide a mobile communications centre / office space which will be used to support Defence Forces operational deployments in the field. The containers will be mounted to an existing fleet of 4 x 4 trucks which will potentially change over time. To account for the changing nature of vehicle platforms the containers must be of a standard 20 Foot ISO (TEU) design complete with standard ISO corner casting / twist lock fitting to enable the rapid changing, mounting, demounting and movement via other means etc. When deployed the container must be capable of providing a shared work space for a minimum of 3 x communications operatives and capable of housing/running/sustaining a wide array of communications services in the field for up to 96 hours. The attached documents outlines the Mandatory Requirements (MR) and Optional Requirements (OR) for each of the individual Lots.
