Title: The Provision of Fluid Warmers and All Related Consumables

Description: The Contracting Authority intends to award a contract for the supply and support of Medical Grade Fluid warmers and their corresponding consumables. The Contracting Authority requires highly reliable, safety-tested fluid warming technologies. It is a requirement that the equipment must perform accurately across a range of clinical environments and must accommodate varying clinical demands ranging from routine, low-flow continuous infusions to high-volume, rapid trauma requirements. A contract of four years' duration shall be awarded for the provision of thirty fluid warmers, any required attachments, including all support, maintenance, repair and replacement of the equipment and the supply of all sterile single use consumables. The Contracting Authority shall remunerate the successful tenderer for the provision of the required equipment through the purchase of sterile single use consumables.
