Title: Removal and Replacement of Existing Carpet Tiles – Cork Offices

Description: Safefood invites tenders from suitably qualified and experienced contractors for the removal and replacement of existing carpet tiles at its Cork offices at 7 Eastgate Avenue, Eastgate, Little Island, Cork, T45 RX01. The works comprise the removal of existing carpet tiles across an approximate total floor area of 720 square metres, their safe and sustainable disposal, and the supply and installation of new commercial-grade carpet tiles. The required carpet specification is ModuLyss DSGN Absolute or ModuLyss First Define, 1/10th Gauge nylon loop pile, 730g/m² pile weight, or equivalent. The offices will remain furnished, and the works will therefore include the movement and repositioning of office furniture as necessary to facilitate removal and installation. There may also be a requirement to relocate a small number of existing floor boxes within the open-plan areas. The existing floor is a suspended steel floor with floor boxes. Safefood's preference is for all works to be completed by 26 October 2026. Where this is not achievable, a phased approach may be accepted, with Area B to be completed by 26 October 2026 and Areas A and C by 30 October 2026. Tenderers are required to provide a full cost breakdown in euro, with VAT identified separately, together with the proposed timeframe for completion of the works. Full details of the requirements, specifications, submission requirements and award criteria are set out in the Request for Tender documentation.
