2.1 Procedure

Title: Supply of Multi Factor Authentication keys for front-facing systems

Description: The Contracting Authority seeks tenders for the supply and delivery, as a single order, of 1,200 physical multi-factor authentication (MFA) security keys.

Procedure identifier: e7684b4f-7d92-44b8-8269-beeb57e5965b

Type of procedure: Open

The procedure is accelerated: yes

Justification for the accelerated procedure: This procurement is below the applicable EU threshold and is being conducted as a national competition through eTenders. The eTenders platform required selection of an "Accelerated Open Procedure" notice type for publication purposes. The Contracting Authority does not rely on the accelerated procedure provisions of the EU Directives. The tender period from 12 October 2026 to 29 October 2026 (18 calendar days) was selected having regard to the urgent operational requirement to strengthen information security controls, the straightforward nature of the requirement, the availability of the required product through established commercial channels, and the limited information required from tenderers. The Contracting Authority considers the tender period to be reasonable and proportionate in the circumstances and sufficient to facilitate competition.
