Title: DCC Multi-Party Framework Agreement for the Provision of Tree Care Services
Description: The Framework Agreement covers the provision of tree surgery services to ensure that all trees under the care and management of Dublin City Council, including street trees and trees growing in parks and open spaces, are maintained in accordance with recognized arboricultural best practices and industry standards. The scope of services to be delivered under this Framework generally includes, but is not limited to, tree pruning operations such as crown reduction, limb pruning, crown lifting, and crown thinning, as well as tree felling and stump removal works. All services are intended to support the safe, sustainable, and effective management of the Council's tree stock while promoting public safety, tree health, and environmental quality across the city. This Framework Agreement has been established to appoint suitably qualified and experienced economic operators who will be eligible to compete for individual work packages. The framework will be for 4 years. The framework will primarily be used by the Parks and Landscape Services Division, but may also be used by other divisions of Dublin City Council.. Please note that this project is subject to funding. For further information please refer to documentation available to download from www.etenders.gov.ie Resource ID xxxxxxx – Input when notice created.
