5.1.7 *Strategic procurement*

Aim of strategic procurement: Fulfilment of social objectives

Description: The procurement aims to support environmental and social objectives through the delivery of a durable, inclusive and accessible community playground designed for long-term public use. The works include the use of robust, low-maintenance playground equipment, durable natural materials, appropriate safety surfacing, landscaping and planting, together with measures to minimise unnecessary replacement and maintenance over the life of the facility. The project also supports social objectives by providing an inclusive recreational facility for children of different ages and abilities, including accessible play equipment, inclusive seating, accessible paths and play opportunities intended to encourage social interaction, physical activity and community use. Tenderers are required to comply with the specified performance, durability, safety and quality standards and to coordinate the works so as to minimise waste, protect existing site features and deliver a completed facility with appropriate warranties, maintenance information and long-term serviceability.
