Title: Call for Tender for the Design Implementation, Maintenance of a full Audio-visual System for Forensic Science Ireland
Description: Forensic Science Ireland (FSI) invites suitably qualified Audio-Visual Contractors to design, supply, install, integrate, configure, commission, test and support a complete audio-visual system for the Boardroom at its Kildare facility. The Boardroom is a high-specification meeting space used for Board meetings, hybrid conferencing, presentations, training and collaborative working. The completed installation must provide a reliable, intuitive and fully integrated AV environment capable of supporting both in-person and remote participation. The Tenderer must assume full responsibility for the design, integration and commissioning of the complete system. This Specification defines the Contract Authority's minimum technical and functional requirements. Tenderers must provide their detailed responses, methodologies and supporting information in the separate Technical Response Document (TRD). Compliance with this Specification should be demonstrated through the TRD and supporting documentation submitted with the Tender.
