Title: Provision of Waste Management Services
Description: Dublin Bus require a suitably qualified tenderer for the provision of the collection and management of general, recyclable and compostable waste from various Dublin Bus locations across Dublin. The proportion and volume of each waste stream will vary between locations. Additional waste streams generated through garage operations will include general packaging, engineering and office waste. The majority of waste is currently collected using 14 cubic yard skips and 1,100-litre wheelie bins, which are replaced periodically as required. The Contractor will be responsible for the provision, collection, transportation, treatment, recovery and/or disposal of the relevant waste streams, including the provision and replacement of suitable containers and associated waste management services. The contract will run for a period of three (3) years with the option of two x 12 month extensions.
