Title: Supply of Engines and Sundry Engine Components
Description: It is the intention of Dublin Bus to use a multi-provider framework agreement for a term of four years with the possibility of Dublin Bus extending that term by four periods of twelve months. Dublin Bus intends to establish a multi-provider framework panel of suppliers for the supply and delivery of Engines and Sundry Engine Components to its various locations throughout Dublin. This Framework will seek to cater for the supply of replacement engines for the legacy diesel fleet as required, as well as established maintenance spare parts and any new items in this category as they arise over the term of the arrangement. Further drawdowns may use mini-competitions or alternative mechanisms subject to particular conditions arising. These components are required for Dublin Bus's current fleet, which is approximately 1000 buses. A comprehensive list of parts that are required will be supplied at tender stage.
