2.1 Procedure

Title: Multi-party Framework Agreement for Bridge Operation and Maintenance Works of Movable Bridges in Dublin City, established on foot of an initial contract for the Samuel Beckett Bridge

Description: Dublin City Council invites tenders from suitably qualified Works Contractors to carry out the Operation and Maintenance of movable bridges in Dublin City. Dublin City Council has a number of movable bridges in its charge with varying ages, types of construction (such as swing, bascule) and materials (such as cable stayed, steel, reinforced concrete and pre-stressed concrete). The bridges span various waterways around the city and are key infrastructural assets that require an active management system to prevent loss of service. Currently Operation and Maintenance of the bridges is carried out through contracts that include mechanical, electrical and civil works. Dublin City Council proposes to establish a four year Multi Party Framework Agreement with up to five economic operators for bridge operations and maintenance works of movable bridges in Dublin City on foot of an initial five year contract for the Operation and Maintenance of the Samuel Beckett Bridge.
