2 Procedure

2.1 Procedure

Title: Call for Tender to establish a Single Supplier Framework Contract for the provision of full graphic design and management of print and logistics services

Description: BIM has a wide range of general design requirements, typical of a government organisation. These include the design and production of reports, leaflets and brochures in print and online formats. It also includes, but is not limited to, the design and production of infographics, signage and banners for events, and digital communication assets including motion graphics. BIM requires the services of a suitably qualified service provider to deliver BIM's graphic design and related requirements such as print and logistics' management as required. Tenderers must have the capability and expertise to provide high quality creative graphic design solutions for a wide variety of organisational projects and will be expected to liaise with the communications team in BIM and to manage any required work from concept to completion creatively and within a timely manner.
